FROM Municipal Facilities Committee	COUNCIL DISTRICT 11

The proposed license term is for one year, with two one-year options to renew.

REQUEST AUTHORITY TO NEGOTIATE AND EXECUTE A NEW LICENSE AGREEMENT WITH THE CHRYSALIS CENTER AT 1645 CORINTH AVENUE, LOS ANGELES

The Department of General Services (GSD) requests authority to negotiate and execute a new license agreement with The Chrysalis Center ("Chrysalis"), a 501(c)(3) non-profit organization for approximately 650 square feet (sf) of parking lot space at 1645 Corinth Avenue, Los Angeles, CA 90025 in Council District 11.

BACKGROUND

City Council adopted motion CF:22-0227 directing GSD to negotiate a no-cost license with Chrysalis to occupy a portion of the parking area at the City owned property located at 1645 Corinth Avenue, which is within the West Los Angeles Municipal Complex. Chrysalis will use a portion of the municipal parking lot for the placement and use of a secured storage bin for people experiencing homelessness to store their personal belongings.

Formed in 1984, Chrysalis has served more than 77,000 individuals experiencing financial insecurity and housing instability. As part of their mission, in 2021, Chrysalis launched a new program called Safekeeping which is a combination of safe storage and housekeeping. Through this program, Chrysalis' clients are employed as housekeeping, janitorial and customer service staff members. This includes a new program called "The Bin" which provides free safe storage facilities, where housed and unhoused patrons may store and access personal property at no charge.

TERMS AND CONDITIONS

The proposed no-cost license term is for one year and will commence on the date of attestation by the City Clerk. Further, there are two, one-year options to renew at the City's discretion. A complete set of terms and conditions are outlined on the attached Term Sheet.

COMMUNITY BENEFIT

The Los Angeles Homeless Services Authority (LAHSA) provides various services and programs to the City under contract (C-126258). This includes planning, coordination, direction and management of services for homeless families and individuals in Los Angeles County.

In turn, LAHSA cooperates with private organizations to carry out certain functions and programs which are part of their service obligations under C-126258. As such LAHSA has contracted with Chrysalis to provide several safe storage programs throughout the City under contract "2017CityGF33 - Amendment Number Two to 2021SSST01 Public Storage." This program provides free secure storage facilities that allow people experiencing homelessness short term storage options.

Under the terms of the recommended license agreement, Chrysalis would utilize the City owned property to provide services in accordance with the terms of the referenced service agreements. As such a formal Community Benefits Analysis (CBA) is not required. The City Attorney has previously opined that a CBA is not required for agencies occupying City property for the sole purpose of carrying out a City program by performing activities in accordance with the terms of a City service contract.

MAINTENANCE

Chrysalis shall maintain the site in good and sanitary condition. Any repairs, alterations or other improvements required from the specific use of the site shall be performed by the tenant at their sole cost and expense. The tenant will be responsible for janitorial costs associated with the property use.

FISCAL IMPACT

There is no anticipated impact on the General Fund as the license agreement contains no rent.

RECOMMENDATION

That the Los Angeles City Council, subject to the approval of the Mayor, authorize GSD to negotiate and execute a new license agreement with The Chrysalis Center at 1645 Corinth Avenue, Los Angeles, CA 90025 under the terms and conditions substantially outlined in this report.

2. **Section 7. Time of Performance**, solely with respect to **paragraph A.**, is hereby amended and replaced with the following:

“A. The term of this Agreement shall be from **July 1, 2021 to June 30, 2023** unless otherwise terminated or extended, in whole or in part, as provided in this Agreement.”

3. **Section 9. Compensation**, is amended and restated as follows, and includes the 2022 – 2023 Fiscal Year:

- A. LAHSA shall pay Contractor an amount not to exceed the total dollar amount identified in **Exhibit C, Program Budget and Services**, attached hereto and incorporated herein by reference, for the complete and satisfactory performance of the terms of this Agreement, as solely determined by LAHSA.

LAHSA shall prepare **Exhibit C, Program Budget and Services**, which shall be executed by the LAHSA Executive Director or his/her designee and Contractor’s Executive Director or his/her designee.

LAHSA has initially provided Contractor with a Letter of Intent ("LOI") related to allocation of funding for the 2021 – 2022 Fiscal Year and the 2022-2023 Fiscal Year contingent upon authorization by LAHSA’s Board of Commissioners and receipt of funds from LAHSA’s funders, as specified in **Exhibit H**, which is attached hereto and incorporated herein by reference. **Exhibit C, Program Budget and Services** shall supersede **Exhibit H, LOI**.

Agreement funds shall be allocated from Funding Entity(ies) as identified in **Exhibit C, Program Budget and Services** and shall be expended in accordance with **Exhibit C, Program Budget and Services**. Contractor’s authority to expend such funds shall be for specific time periods as set forth in this Agreement. Contractor’s right to receive compensation is conditioned upon compliance with LAHSA’s indemnification and insurance requirements, satisfactory performance, and compliance with this Agreement, as solely determined by LAHSA.

- B. Funding as set forth by the foregoing subsection A is subject to change in accordance with the availability of funds provided to LAHSA by the Funding Entity(ies). If LAHSA does not receive the adequate funding for its performance under this Agreement, then LAHSA shall be relieved of obligations under this Agreement or this Agreement shall be amended to conform to the changes in funding allocations as elected by LAHSA.

//

//

- C. LAHSA reserves the right to modify the Program Budget or funding (e.g., increase, decrease, reallocate) during the term of this Agreement. To implement a Program Budget or funding modification, a revised replacement Exhibit C, Program Budget and Services to the Agreement shall be prepared by LAHSA and then executed by the LAHSA Executive Director or his/her designee and Contractor's Executive Director or his/her designee.
- D. Contractor may submit a request to modify the Program Budget or funding, during the term of this Agreement, in the manner specified by LAHSA, including via LAHSA Enterprise Grants Management System (EGMS) or LAHSA Sub-Recipient Contract Amendment, Modification or Waiver policy, attached hereto as Exhibit Y, and attached hereto and incorporated herein by reference. Once approved, the modification will be implemented via a revised replacement Exhibit C, Program Budget and Services to the Agreement, which shall be prepared by LAHSA and then executed by the LAHSA Executive Director or his/her designee and Contractor's Executive Director or his/her designee.
- E. Notwithstanding the above paragraphs, LAHSA may, in its sole discretion, unilaterally reduce the Program Budget or funding of this Agreement, as a whole, in part, or as to a cost category; may limit the rate of Contractor's authority to commit and spend funds; or may restrict Contractor's use of both its uncommitted and its unspent funds, in the event that:
- 1) The Funding Entity(ies) decrease(s) or rescind(s) funding available for this Program;
 - 2) Contractor will have unexpended funds at the end of the Agreement's term based on the Contractor's spending pattern and invoices submitted to LAHSA for payment;
 - 3) LAHSA determines that reallocating the funds, or a portion thereof, from this Agreement to another LAHSA-funded agreement would better serve the Los Angeles Continuum of Care;
 - 4) Contractor is not meeting its contracted performance measures;
 - 5) as permitted by any other terms of this Agreement; and/or
 - 6) any legally justifiable reason.
- To implement such a reduction, the parties agree that a revised replacement Exhibit C, Program Budget and Services to the Agreement shall be prepared by LAHSA and executed by the LAHSA's Executive Director or his/her designee and provided **via written notice** to Contractor's Executive Director or his/her designee.
- In no event, however, shall any modification made by LAHSA affect expenditures and legally binding commitments made by Contractor before it received written notice of such modification, provided that such amounts have been committed in good faith and are otherwise allowable, and that such commitments are consistent with Funding Entity(ies)' cash withdrawal guidelines.
- F. Contractor shall not expend funds provided under this Agreement prior to the commencement date of this Agreement, or subsequent to suspension or its termination. Further, expenditures shall be in direct support of the Program, which is the subject of this Agreement. If Contractor is operating another program simultaneously with the Program herein, Contractor shall notify LAHSA in writing of any expenditures for items jointly used for any other program(s) and the expenditures shall be apportioned according to the percentage of direct use for the Program funded herein.
- G. LAHSA assumes no responsibility to pay for expenses not specifically enumerated in this Agreement. Further, Contractor understands that LAHSA makes no commitment to fund this Program beyond the initial Program Term of this Agreement.
- H. Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of Contractor's duties, responsibilities, or obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with LAHSA's express prior written approval.

- I. Contractor shall have no claim against LAHSA for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment it shall immediately notify LAHSA and shall immediately repay all such funds to LAHSA. Payment by LAHSA for services rendered after expiration or termination of this Agreement shall not constitute a waiver of LAHSA's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.
 - J. Funds provided by LAHSA shall not be used for costs associated with activities in violation of any law or for any activities not consistent with the intent of the Program and the eligible uses identified in applicable funder(s) Terms and Conditions. Use of funds to pay for ineligible activities will result in the repayment of these funds to LAHSA.
 - K. Applicable Discounts: Contractor warrants that any applicable discounts have been included in the costs billed to LAHSA.
 - L. Concurrent Enrollment: If Contractor is serving customers, concurrently utilizing more than one funding stream, Contractor is responsible for tracking the services delivered and the expenditures reported to ensure that services and expenditures are not duplicated.
 - M. Match Requirements: Contractor shall report in its invoice the required match of non-federal funds, if applicable. If required to provide a match of funds, as set forth above in this compensation section of this Agreement, Contractor shall report in each invoice the funds being matched. Documentation shall be maintained and made available for review.
 - N. Overtime Work: Unless specifically stated herein or authorized by LAHSA in writing, Contractor shall not incur overtime work expenditures.
 - O. Travel: Travel must be approved in advance by LAHSA and included in the Budget. Contractor shall be compensated for its reasonable travel expenses incurred in the performance of the Statement of Work and in compliance with 2 C.F.R §200.474.
 - P. Profit: Contractor shall comply with any LAHSA directives regarding profit or return on investment.
 - Q. Contractor shall submit to LAHSA its cost allocation plan along with a complete budget, as requested by LAHSA.

Agreement Number: 2021SSST01
Contractor Name: The Chrysalis Center

2022-2023 Personal Property Storage Scope of Required Services (SRS)

This Scope of Required Services (SRS) contains a written summary of detailed information regarding the services that must be provided under this contract to eligible participants seeking services. This SRS, in combination with 2022-2023 LAHSA Program Standards, 2022-2023 LAHSA Facility Standards, and the Program Profile together, comprise the entire Statement of Work for the program.

I. PERSONAL PROPERTY STORAGE OVERVIEW

The 7-Day Voluntary Storage provides a safe and secure facility for individuals experiencing homelessness to voluntarily store their personal property and offer a standardized process for participants to access those belongings as needed. The goal of the program is to improve the quality of life for participants by providing a place to safely and securely store and access their personal property, and to integrate storage facilities into a larger plan to provide long-term supportive housing and promote a healthier environment for individuals living on the street.

The 90-Day Mandatory Public Right-of-Way Storage provides for the operation and maintenance of a safe and secure facility to inventory and store personal property items collected as a result of cleaning performed in the public right-of-way by the City of Los Angeles's Department of Public Works, Bureau of Street Services (BSS), and/or Los Angeles Bureau of Sanitation. The goal of the program is to maintain clean and sanitary streets and public areas that are free of debris and human waste and are safely accessible for their intended use by the public; and to store and maintain unattended personal property items collected by BSS for up to ninety (90) days and release personal property items to individuals who have claimed ownership.

II. DEFINITIONS

1. **Personal Property Storage Bin** – refers to the sixty (60) gallon containers to be used as a personal property storage unit.
2. **Unattended Property** – for the purposes of this program, unattended property refers to:
2.1 Any property stored voluntarily in a personal storage bin at the facility for which the lease period has lapsed due to the participant not having completed a renewal within the required seven (7) daytime frames or any property collected as part of the Public Right-of-Way Storage program that has been logged by the facility.
3. **Pack-out** – refers to the event in which the contents of a leased storage bin are removed and transferred to the ninety (90) day storage area of the facility due to the participant's failure to comply with seven (7) day renewal requirements.
4. **Participant** – any individual who utilizes voluntary personal storage services.
5. **Storage Bin Renewal Event** – an event completed by a participant utilizing a personal storage bin at the facility by which the term of storage renews for an additional seven (7) days – there are two distinct Renewal Events:

5.1 **Bin Pull** – a Bin pull refers to an instance where a participant comes into the facility and requests and receives access to their personal storage bin – this action results in an "Event of Renewal"

5.2 **Renewal Only** – a “renewal-only” refers to an instance in which a participant who has a storage bin at the facility enters the facility, presents their Bin ticket, or in the case of a lost bin ticket, presents the necessary identification to receive a new bin ticket, and requests the term be renewed, but does not request access to their storage bin (i.e. no bin pull occurs).

6. **Participant Voluntary Close-Out** – this refers to an instance when a participant/lessee of a storage bin on site requests the return of personal property stored in the bin and indicates they are no longer in need of the storage service.

6.2 Annual Meeting. An annual meeting of Directors shall be held each January, or at such other date, time and place as determined by the Board of Directors ("annual meeting"), for the purpose of electing Directors and to transact any other proper business which may be brought before the meeting.

ARTICLE 7

DIRECTORS

7.1 Powers.

(a) **General Corporate Powers.** Subject to the provisions of the California Nonprofit Corporation Law, the business and affairs of the Corporation shall be managed, and all corporate powers shall be exercised, by or under the direction of the Board of Directors.

(b) **Specific Powers.** Without prejudice to these general powers, and subject to the same limitations, the Directors shall have the power to:

(1) Select and remove the President/CEO of the Corporation; prescribe any powers and duties for such officer position that are consistent with law, with the Articles of Incorporation, and with these Bylaws; and fix the President/CEO's compensation.

(2) Change the principal executive office or the principal business office in the State of California from one location to another; cause the Corporation to be qualified to do business in any other state, territory, dependency, or country and conduct business within or outside the State of California; and designate any place within or outside the State of California for the holding of any meeting or meetings including annual meetings.

(3) Adopt, make, and use a corporate seal and alter the form of the seal and certificate.

(4) Borrow money and incur indebtedness on behalf of the Corporation and cause to be executed and delivered for the Corporation's purposes, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations, and other evidences of debt and securities.

7.2 **Number And Qualification Of Directors.** The authorized number of Directors shall be not less than five (5) nor more than fifty (50) as fixed by resolution of the Board of Directors from time to time. Directors need not be residents of the State of California. The authorized number of Directors as of the adoption of these Bylaws is thirty-one (31). A list of the individuals currently serving as Directors is set forth on Schedule A attached hereto, and the adoption of these Bylaws will serve as a resolution electing such Directors to a new term and as a ratification of the validity of their past service.

7.3 **Election And Term Of Office Of Directors.** Directors shall be elected at each annual meeting of the Directors, and shall be elected to a three-year term; provided, however, that if the Directors are not elected at any regular meeting, they may

be elected at any special meeting held for that purpose. Each Director, including a Director elected to fill a vacancy or elected at a special meeting, shall hold office until expiration of the term for which elected and until a successor has been elected and qualified (provided that no such term is to exceed six years without re-election), unless sooner displaced.

7.4 Vacancies.

(a) **Events Causing Vacancy.** A vacancy or vacancies in the Board of Directors shall be deemed to exist on the occurrence of the following: (i) the death, resignation, or removal of any Director, (ii) the declaration by resolution of the Board of Directors of a vacancy of the office of a Director who has been declared of unsound mind by an order of court or convicted of a felony or has been found by final order or judgment of any court to have breached a duty under Sections 5230 et seq. of the California Nonprofit Corporation Law, (iii) the vote of the majority of members to remove a Director (at their sole and absolute discretion), (iv) the increase of the authorized number of Directors, or (5) the failure at any meeting at which any Director or Directors are to be elected, to elect the number of Directors to be elected at such meeting.

(b) **Resignations.** Except as provided in this paragraph, any Director may resign, which resignation shall be effective on giving notice to the Chair of the Board, the President/CEO, the Secretary, or the Board of Directors, unless the notice specifies a later time for the resignation to become effective. If the resignation of a Director is effective at a future time, the Board of Directors may elect a successor to take office when the resignation becomes effective. No Director may resign when the Corporation would then be left without a duly elected Director or Directors in charge of its affairs.

(c) **No Vacancy On Reduction Of Number Of Directors.** No reduction of the authorized number of Directors shall have the effect of removing any Director before that Director's term of office expires.

(d) **Restriction On Interested Parties.** Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons. An interested person is (i) any person being compensated by the Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor, or otherwise, excluding any reasonable compensation paid to a Director as Director; and (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person. However, any violation of the provisions of this paragraph shall not affect the validity or enforceability of any transaction entered into by the Corporation.

7.5 Place Of Meetings; Meetings By Telephone. Annual meetings of the Board of Directors may be held at any place within or outside the State of California that

has been designated from time to time by resolution of the Board. In the absence of such designation, annual meetings shall be held at the principal executive office of the Corporation. Special meetings of the Board shall be held at any place within or outside the State of California that has been designated in the notice of the meeting or, if not stated in the notice, or if there is no notice, at the principal executive office of the Corporation. Notwithstanding the above provisions of this Paragraph 7.5, an annual or special meeting of the Board of Directors may be held at any place consented to in writing by all the Board members, either before or after the meeting. If consents are given, they shall be filed with the minutes of the meeting. Any meeting, annual or special, may be held or attended by conference telephone or similar communication equipment, so long as all Directors participating in the meeting can hear one another, and all such Directors shall be deemed to be present in person at such meeting.

7.6 Meetings.

(a) **Authority To Call.** In addition to the annual meeting, special meetings of the Board of Directors for any purpose may be called at any time by the Chair of the Board, the President/CEO, the Vice Chair, the Secretary, the Treasurer, or any two (2) Directors.

(b) Notice.

(1) **Manner Of Giving.** Notice of the time and place of annual and special meetings shall be given to each Director by one of the following methods: (A) by personal delivery of written notice; (B) by first-class mail, postage paid; (C) by telephone communication, either directly to the Director or to the person at the Director's office who would reasonably be expected to communicate such notice promptly to the Director; or (D) by electronic mail, facsimile or any other electronic communication permitted by Section 20 of the California Nonprofit Corporation Law. All such notices shall be given or sent to the Director's address, e-mail address or telephone or facsimile number as shown on the records of the Corporation.

(2) **Time Requirements.** Notices sent by first class mail shall be delivered to a mail carrier or reputable private delivery service at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, facsimile or e-mail shall be delivered, telephoned, or sent at least forty-eight (48) hours before the time set for the meeting.

(3) **Notice Contents.** The notice shall state the time and place for the meeting. However, it need not specify the purpose of the meeting, or the place of the meeting, if it is to be held at the principal executive office of the Corporation.

7.7 Quorum. One-fifth (1/5) of the total number of Directors then in office shall be necessary to constitute a quorum for the transaction of business, except to adjourn as provided in Paragraph 7.9; provided that, notwithstanding the foregoing, in no event shall less than two (2) Directors constitute a quorum (unless there is only one Director). Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Directors, subject to the provisions of the California Nonprofit Corporation Law, except those provisions relating to (a) approval of contracts or transactions in which a Director has a direct or indirect material financial interest, (b) appointment of committees, and (c) indemnification of Directors, which in each case must be made by at least a majority of disinterested Directors then in office. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting. Notwithstanding anything to the contrary in this Paragraph 7.7, the number of Directors necessary to constitute a quorum for a committee, or for an act or a decision of Directors present at a committee meeting to be regarded as the act of such committee, shall be as specifically set forth in Article 8 of these Bylaws.

7.8 Waiver Of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. All waivers, consents, and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

7.9 Adjournment. A majority of the Directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place.

7.10 Notice Of Adjournment. Notice of the time and place of holding an adjourned meeting need not be given, unless the meeting is adjourned for more than twenty-four (24) hours, in which case reasonable notice of the time and place shall be given before the time of the adjourned meeting to the Directors who were not present at the time of the adjournment.

7.11 Action Without Meeting. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting, if all members of the Board (excluding any Directors required to abstain from voting due to a direct or indirect material financial interest), individually or collectively, consent in writing to that action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board of Directors. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such written consents may be submitted via facsimile, electronic mail, or any other form of electronic communication permitted by Sections 5079 and 20 of the California Nonprofit Corporation Law.

7.12 Fees And Compensation Of Directors. Unless otherwise restricted by the Articles of Incorporation or these Bylaws, Directors and members of committees may receive such compensation, if any, for their services, and such reimbursement of expenses, as may be determined by resolution of the Board of Directors to be just and reasonable, so long as such compensation does not violate the provisions of Paragraph 7.4(d), and so long as such compensation will not constitute an "excess benefit transaction" within the meaning of Section 4958 of the Code.

ARTICLE 8

COMMITTEES

8.1 Committees Of Directors. The Board of Directors may, by resolution adopted by a majority of the Directors then in office, create one or more committees, each consisting of two (2) or more Directors. The Board of Directors may also appoint persons who are not Directors to any such committees; provided, however, that any persons who are not Directors shall not have any right to vote or otherwise exercise any authority with respect to the committees or the Company in their capacity as members of a committee, and shall serve solely in an advisory capacity. Appointments to and removals from committees of the Board shall be by majority vote of the Directors then in office. The Board may appoint one or more Directors as alternate members of any such committee, who may replace any absent member at any meeting. Chairs of committees shall be appointed by the Chair of the Board with the consent of the Board of Directors; provided, that the Chair of the Board shall be the Chair of the Executive Committee. Any committee, to the extent provided in the resolution of the Board, shall have all the authority of the Board, except that no committee, regardless of Board resolution, may:

- (a) take any final action on matters which, under the California Nonprofit Corporation Law, also requires members' approval;
- (b) fill vacancies on the Board of Directors or in any committee;
- (c) fix compensation of the Directors for serving on the Board or on any committee;

- (f) appoint any committees of the Board of Directors or the members of such committees;
- (g) expend corporate funds to support a nominee for Director after there are more people nominated for Director than can be elected; and

(h) approve any transaction to which the Corporation is a party and in which one or more Directors have a material financial interest.

8.2 Meetings And Action Of Committees.

(a) Unless otherwise specified, meetings and action of committees shall be governed by, and held and taken in accordance with, the provisions of these Bylaws, concerning meetings (or written actions) of Directors, with such changes in the context of those Bylaws as are necessary to substitute the committee and its members for the Board of Directors and its members, except that (a) a majority of the members of a committee shall be necessary to constitute a quorum for the transaction of business, except to adjourn, (b) every act or decision done or made by a majority of the Directors present at a committee meeting duly held at which a quorum is present shall be regarded as the act of the committee, and (c) the time for regular meetings of committees may be determined either by resolution of the Board of Directors or by resolution of the committee. Special meetings of committees may also be called by resolution of the Board of Directors. Notice of special meetings of committees shall also be given to any and all alternate members, who shall have the right to attend all meetings of the committee. Minutes shall be kept of each meeting of any committee and shall be filed with the corporate records. The Board of Directors may adopt rules for the government of any committee not inconsistent with the provisions of these Bylaws.

(b) Any action required or permitted to be taken by a committee may be taken without a meeting, if all voting members of the committee (excluding any Directors required to abstain from voting due to a direct or indirect material financial interest), individually or collectively, consent in writing to that action. Such action by written consent shall have the same force and effect as a unanimous vote of the committee. Such written consent or consents shall be filed with the minutes of the proceedings of the committee. Such written consents may be submitted via facsimile, electronic mail, or any other form of electronic communication permitted by Sections 5079 and 20 of the California Nonprofit Corporation Law.

8.3 Standing Committees of the Board. The Corporation shall have the following standing committees of the Board:

Committee any and all of the powers and authority of the Board of Directors with respect to the business and affairs of this Corporation, except as set forth in Paragraph 8.1 hereof or as otherwise limited by Section 5212 of the California Nonprofit Corporation Law or any other applicable law; provided, that the activities and affairs of the Corporation shall be managed and all corporate powers shall be exercised under the ultimate direction of the Board of Directors. A list of Directors and officers currently serving on the Executive Committee is set forth on Schedule B attached hereto, and the adoption of these Bylaws will serve as a resolution appointing such individuals to the Executive Committee and as ratification of the validity of their past service.

(b) Finance Committee. The Finance Committee shall consist of at least two (2) Directors. The Finance Committee shall include the Treasurer (who shall serve as chair of the Finance Committee), the Chair and the President/CEO. The Finance Committee shall be responsible for reviewing the financial operations of the Corporation and making recommendations pertaining thereto. A list of Directors currently serving on the Finance Committee is set forth on Schedule C attached hereto, and the adoption of these Bylaws will serve as a resolution appointing such individuals to the Finance Committee and as ratification of the validity of their past service.

(c) Audit Committee. The Audit Committee shall consist of at least two (2) Directors. Notwithstanding anything to the contrary, the Audit Committee may not include any individual who is a staff member of the Corporation or who is serving as the President/CEO, Treasurer, or Chief Financial Officer of the Corporation. The Audit Committee shall be responsible for making recommendations to the Board of Directors concerning the hiring or replacement of independent certified accountants to perform an annual audit of the Corporation's financial records as required by California Government Code Section 12586(e)(1). The Audit Committee must (a) confer with the auditor to confirm that the financial affairs of the Corporation are in order, (b) review the audit and decide whether to accept the audit on behalf of the Corporation, and (c) approve non-audit services by the independent certified public accountants and ensure that such services conform to standards in the Yellow Book issued by the U.S. Comptroller General. In addition to committees of Directors authorized pursuant to Paragraph 8.1, the Board of Directors may, by resolution adopted by a majority of the Directors then in office, designate one or more advisory committees. Each advisory committee shall consist of two (2) or more Directors, and any other individuals (who may or may not be Directors) as the Board may choose to appoint or remove, to serve at the pleasure of the Board. Advisory committees shall not have the authority of the Board, although the Board may adopt the recommendations of any such advisory committee pursuant to the provisions of ARTICLE 7. Individuals serving on

any committee who are not Directors may be granted honorary titles such as "Honorary Director" or "Emeritus Director"; provided that all references to Directors in these Bylaws shall not apply to such individuals.

ARTICLE 9

The Corporation may also have, at the discretion of the Board of Directors, one or more Assistant Secretaries, and one or more Assistant Treasurers, each of which shall be appointed by and shall serve at the pleasure of the Board, subject to the rights, if any, of an officer under any contract of employment. Subject to the rights, if any, under any contract of employment, any officer appointed pursuant to this Paragraph 9.1 may be removed, with or without cause, by majority vote of the Directors then in office, at any regular or special meeting of the Board. In addition to the officers listed above, the Corporation may also have such other officers or agents as may be appointed by the President/CEO in order to conduct the business of the Corporation. Any number of offices may be held by the same person, except that (i) neither the Secretary nor the Chief Financial Officer may serve concurrently as either the President/CEO or the Chair of the Board and (ii) the President/CEO may not serve concurrently as the Chair of the Board. The salary of the President/CEO shall be fixed by the Board of Directors in compliance with Paragraph 9.5.

9.3 Resignation Of Officers. Any officer may resign at any time by giving notice to the Corporation. Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice; and, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of the Corporation under any contract to which the officer is a party.

9.4 Vacancies In Offices. A vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled only in the manner prescribed in these Bylaws for regular appointments to that office.

9.5 Fees And Compensation Of Officers. Unless otherwise restricted by the Articles of Incorporation or these Bylaws, officers may receive such compensation, if any, for their services, and such reimbursement of expenses, as may be determined to be just and reasonable, and so long as such compensation will not constitute an "excess benefit transaction" within the meaning of Section 4958 of the Code.

9.6 Endorsement and Contracting Authority Of Officers. Subject to the provisions of applicable law, any note, mortgage, evidence of indebtedness, contract, conveyance or other instrument in writing and any assignment or endorsement thereof executed or entered into between the Corporation and any other person, when signed by the President/CEO or any officer of the Corporation, shall be valid and binding on the Corporation in the absence of actual knowledge on the part of the other person that the signing officers had no authority to execute the same. Any such instruments may also be signed by any other person or persons and in such manner as from time to time shall be determined by the Board, and, unless so authorized by the Board, no other agent or employee shall have any power or authority to bind the corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or amount.

9.7 Responsibilities Of Officers.

(a) Chair of the Board. The Chair of the Board must be a Director of the Corporation and shall serve as Chair of the Executive Committee. The Chair of the Board shall not in any way manage, operate, or control the Corporation, except in his or her capacity as a Director.

(b) Vice Chair of the Board. The Vice Chair of the Board must be a Director of the Corporation and shall serve on the Executive Committee. In the absence or disability of the Chair of the Board, the Vice Chair of the Board shall perform all the duties of the Chair of the Board and, when so acting, shall have all the powers of, and shall be subject to all the restrictions upon, the Chair of the Board. The Vice Chair of the Board shall not in any way manage, operate, or control the Corporation, except in his or her capacity as a Director.

He or she shall preside at all meetings of the Directors in the absence of the Chair of the Board and the Vice Chair of the Board, or if no Chair of the Board has been elected. He or she shall have such other powers and

duties as may be prescribed by the Board of Directors or the Bylaws. The President/CEO may from time to time delegate such powers and authorities to other officers as he or she may see fit.

(d) **Secretary**. The Secretary must be a Director of the Corporation and shall serve on the Executive Committee. The Secretary shall attend to the following:

The Chief Financial Officer shall deposit or cause to be deposited all money and other valuables in the name and to the credit of the Corporation with such depositories as may be designated by the Board of Directors; shall disburse or cause to be disbursed the funds of the Corporation as may be ordered by the Board of Directors, the President/CEO or their designees; shall render or cause to be rendered to the President/CEO and Directors, whenever they request it, an account of all of his transactions as Chief Financial Officer and of the financial condition of the Corporation; and shall have other powers and perform such other duties as may be prescribed by the Board of Directors or the Bylaws.

(f) **Treasurer**. The Treasurer must be a Director of the Corporation and shall serve on the Executive Committee. The Treasurer shall have such other powers and perform such other duties as from time to time may be prescribed by the Board of Directors.

ARTICLE 10

INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES, AND OTHER AGENTS

10.1 Definitions. For the purposes of this Article:

(a) **"Agent"** shall mean any person who is or was a Director, officer, employee, or other agent of this Corporation, or is or was serving at the request of this Corporation as a Director, officer, employee, or agent of another foreign or domestic Corporation, partnership, joint venture, trust, or other enterprise;

(b) **"Proceeding"** shall mean any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative or investigative; and

(c) **"Expenses"** shall include, without limitation, all attorneys' fees, costs, and any other expenses incurred in the defense of any claims or proceedings against an agent by reason of his position or relationship as agent and all attorneys' fees, costs, and other expenses incurred in establishing a right to indemnification under this Article.

10.2 Successful Defense By Agent. To the extent that an agent of this Corporation has been successful on the merits in the defense of any proceeding referred to in this Article, or in the defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection with the claim. If an agent either settles any such claim or sustains a judgment rendered against him, then the provisions of Paragraphs 10.3 through 10.5 shall determine whether the agent is entitled to indemnification.

10.3 Actions Brought By Persons Other Than The Corporation. Subject to the required findings to be made pursuant to Paragraph 10.5, this Corporation shall indemnify any person who was or is a party, or is threatened to be made a party, to any proceeding other than an action brought by, or on behalf of, this Corporation, or by an officer, Director or person granted relator status by the Attorney General, or by the Attorney General on the ground that the defendant Director was or is engaging in self-dealing within the meaning of Section 5233 of the California Nonprofit Corporation Law, or by the Attorney General or a person granted relator status by the Attorney General for any breach of duty relating to assets held in charitable trust, by reason of the fact that such person is or was an agent of this Corporation, for all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with the proceeding.

10.4 Action Brought By Or On Behalf Of The Corporation.

(a) **Claims Settled Out Of Court.** If any agent settles or otherwise disposes of a threatened or pending action brought by or on behalf of this Corporation, with or without court approval, the agent shall receive no indemnification for either amounts paid pursuant to the terms of the settlement or other disposition or for any expenses incurred in defending against the proceedings.

(b) **Claims And Suits Awarded Against Agent.** This Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action brought by or on behalf of this Corporation by reason of the fact that the person is or was an agent of this Corporation, for all expenses actually and reasonably incurred in connection with the defense of that action, provided that both of the following are met:

(1) The determination of good faith conduct required by Paragraph 10.5 must be made in the manner provided for in that paragraph; and

(2) Upon application, the court in which the action was brought must determine that, in view of all of the circumstances of the case, the agent should be entitled to indemnity for the expenses incurred. If the agent is found to be so entitled, the court shall determine the appropriate amount of expenses to be reimbursed.

10.5 Determination Of Agent's Good Faith Conduct. The indemnification granted to an agent in Paragraphs 10.1 through 10.4 is conditioned on the following:

(a) **Required Standard Of Conduct.** The agent seeking reimbursement must be found, in the manner provided below, to have acted in good faith, in a manner he believed to be in the best interest of this Corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use in similar circumstances. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in the best interest of this Corporation or that he had reasonable cause to believe that his conduct was unlawful. In the case of a criminal proceeding, the person must have had no reasonable cause to believe that his conduct was unlawful.

(b) **Manner Of Determination Of Good Faith Conduct.** The determination that the agent did act in a manner complying with Paragraph 10.5(a) shall be made by:

(1) the Board of Directors by a majority vote of a quorum consisting of Directors who are not parties to the proceeding; or

(2) the court in which the proceeding is or was pending. Such determination may be made on application brought by this Corporation or the agent or the attorney or other person rendering a defense to the agent, whether or not the application by the agent, attorney, or other person is opposed by this Corporation.

10.6 Limitations. No indemnification or advance shall be made under this Article, except as provided in Paragraphs 10.2 or 10.4(b)(2), in any circumstances when it appears:

(a) That the indemnification or advance would be inconsistent with a provision of the articles, a resolution of the members, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and City, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. Contractor shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to Contractor. In any action arising out of this Contract, Contractor consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California. If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of City by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of Contractor shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both Contractor and Subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit Contractor to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier. In the event Contractor's delay or failure to perform arises out of a Force Majeure Event, Contractor agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At City's sole discretion, City may suspend any or all services provided under this Contract by providing Contractor with written notice of suspension. Upon receipt of the notice of suspension, Contractor shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to City until City gives written notice to recommence the services.

PSC-9. Termination

City shall pay Contractor its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by Contractor to effect the termination. Thereafter, Contractor shall have no further claims against City under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights City is entitled to, shall become City property upon the date of the termination. Contractor agrees to execute any documents necessary for City to perfect, memorialize, or record City's ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if Contractor fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, City may give Contractor period to cure the default to the sole satisfaction of City. Additionally, City's default notice may offer Contractor an opportunity to provide City with a plan to cure the written notice of the default. City's default notice will indicate whether the default may be cured and the time default, which shall be submitted to City within the time period allowed by City. At City's sole discretion, City may accept or reject Contractor's plan. If the default cannot be cured or if Contractor fails to cure within the period allowed by City, then City may terminate this Contract due to Contractor's breach of this Contract.

If the default under this Contract is due to Contractor's failure to maintain the insurance required under this Contract, Contractor shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of services. Contractor shall not recommence performance until Contractor is fully insured and in compliance with City's requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against Contractor, or if Contractor makes an assignment for the benefit of creditors, then City may immediately terminate this Contract.

4. e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of Contractor.

6. In the event City terminates this Contract as provided in this section, City may procure, upon such terms and in the manner as City may deem appropriate, services similar in scope and level of effort to those so terminated, and Contractor shall be liable to City for all of its costs and damages, including, but not limited to, any excess costs for such services.

7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that Contractor was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.

8. The rights and remedies of City provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

C. In the event that this Contract is terminated, Contractor shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-14. Claims for Labor and Materials

K. Warranties

1. Contractor represents and warrants that:

a. It has secured and will secure all rights and licenses necessary for its performance of this Agreement. Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or LAHSA and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There are currently no actual or threatened claims by any such third-party based on an alleged violation of any such right by Contractor.

b. Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.

c. It has secured and will secure all rights and licenses necessary for Intellectual Property, including, but not limited to, consents, waivers or releases from all authors or music or performances used, and talent (radio, television, and motion picture talent), owners of any interest in and to real estate, site locations, property or props that may be used or shown.

d. It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to LAHSA in this Agreement.

e. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance or computer software in violation of copyright laws.

f. It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.

2. LAHSA makes no warranty that the intellectual property resulting from this sub-grant Agreement does not infringe upon any patent, trademark, copyright or the like, now existing or subsequently issued.

L. Intellectual Property Indemnity

1. Contractor shall indemnify, defend and hold harmless LAHSA and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to: (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of LAHSA's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or LAHSA and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this Agreement. LAHSA reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against LAHSA.

2. Should any Intellectual Property licensed by the Contractor to LAHSA under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve LAHSA's right to use the licensed Intellectual Property in accordance with this Agreement at no expense to LAHSA. LAHSA shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for LAHSA to continue using the licensed Intellectual Property, or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, LAHSA may be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

3. Contractor agrees that damages alone would be inadequate to compensate LAHSA for breach of any term of these Intellectual Property provisions herein by Contractor. Contractor acknowledges LAHSA would suffer irreparable harm in the event of such breach and agrees LAHSA shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

The requirements for a fair and open competition include the development of written procurement policies that include, but are not limited to all of the following subsections. Several of the provisions herein include LAHSA mandated rules and procedures in addition to the other grant requirements. Such policies are applicable to subcontractors to the extent permitted by law.
 - a. Purpose: It is the intent of these rules that these procedures shall apply to all subcontracts including, but not limited to purchase agreements, lease or rental agreements (excluding real property agreements), third-party agreements, and consultant services subcontracts. All contractors are required to prepare written procurement procedures. All written procedures and policies for procurement activities are to be available for public inspection.

 - (1) The following procedures shall apply to all procurements under this Agreement in order to ensure that all solicitations:
 - (a) Incorporate a clear and accurate description of the technical requirements for the material, product or service to be procured. Such description shall not, in competitive procurement, contain features which unduly restrict competition; and

(b) Identify all requirements that the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(2) Issue a Public Notification: The notification must be made through an announcement in a local public medium (e.g., newspaper) or other media that covers the entire service area.

The Federal list is published by the General Services Administration. A copy may be obtained by accessing <https://www.sam.gov/SAM/>. The list will be issued as an Information Bulletin in May of each year. It is the Contractor's responsibility to ensure that funds are not awarded to entities on the debarment list.

- vii. Identify policy and process by which selection of awardee(s) will be made; and
- viii. Provide an opportunity for bidders to appeal staff recommendations.

Items i-iii should be sufficiently completed before issuance of the bid package so relevant parts can be included.

To the fullest extent possible in the administration of this Agreement, Contractor agrees to provide opportunities for minorities, women, disadvantaged and small businesses to participate in procurements under this Agreement.

(20) The Contractor shall not use funds provided under this Agreement to duplicate facilities or services available in the area (with or without reimbursement) from Federal, State, or local sources, unless it is demonstrated that the Agreement-funded alternative services or facilities would be more effective or more likely to achieve performance goals.

(21) The Contractor, to the maximum extent practicable and permitted by law, is encouraged to maximize use of goods, products, and materials produced in the United States when procuring goods and services under Federal awards. (2 CFR 200.322.)

(22) The Contractor, consistent with 2 CFR 200.216 (Prohibition on certain telecommunication and video surveillance services or equipment (Effective 8/13/2020)), shall be prohibited from obligating or expending loan or grant funds to (1) procure or obtain, (2) extend or renew a contract to procure or obtain, or (3) enter into a contract (or extend or renew a contract) to procure or obtain, equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as a critical technology as part of any system. c. Cost or Price Analysis:

(1) The non-Federal entity must perform a cost or price analysis in connection with every procurement action in excess of the Simplified Acquisition Threshold including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, the non-Federal entity must make independent estimates before receiving bids or proposals.

(2) The non-Federal entity must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under the Federal award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the non-Federal entity under Subpart E—Cost Principles of this part. The non-Federal entity may reference its own cost principles that comply with the Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting must not be used.

d. Awarding of Agreement/Contract

(2) LAHSA/Contractor and its contractors/subcontractors shall make positive efforts to utilize small business and minority-owned business as sources of supplies and services. Such efforts should allow these sources the maximum feasible opportunity to compete for contracts to be performed utilizing Federal grant funds. If applicable, Contractor/Subcontractor certifies that it has complied with Mayoral Directive 2001-26 regarding the Outreach Program for Personal Services Contracts Greater than \$100,000.

(3) Where such advertised bids are obtained, the awards shall be made to the responsible bidder whose bid is responsive to the invitation and is most advantageous to the grantee, price and other factors considered. e. Funding Restrictions for High-Risk Contracts

(1) A contractor may be considered "high-risk" if an awarding agency determines that the contractor is otherwise responsible but:

- (a) Has a history of unsatisfactory performance;
- (b) Is not financially stable;
- (c) Has a management system that does not meet the management standards set forth in this part; or
- (d) Has not conformed to terms and conditions of a previously awarded grant or sub-grant.

(2) If LAHSA/Contractor agency determines that a grant or sub-grant shall be made to a "high-risk" contractor or subcontractors, then special funding restrictions that address the "high-risk" status may be included in the contract or subcontract. Funding restrictions may include, but are not limited to:

- (a) Use of reimbursements rather than advances or payment upon completion of the project;
- (b) Requiring additional and/or more detailed financial or performance reports;
- (c) Additional monitoring;
- (d) Requiring the contractor or subcontractors to obtain specific technical or management assistance, and/or
- (e) Establishing additional prior approvals (e.g., requiring awarding agency approval prior to hiring/firing, award of small purchase contracts).

(3) If LAHSA/Contractor decides to impose such funding restrictions, the awarding official shall notify the contractor or subcontractors as early as possible, in writing, of:

- (a) The nature of the funding restriction(s);
 - (b) The reason(s) for imposing them;
 - (c) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions;
 - (d) The method of requesting reconsideration of the restrictions imposed; and
 - (e) Additional prior approvals.
- f. City Code of Conduct or LAHSA Code of Conduct

All contractors shall adopt a Code of Conduct in accordance with the requirements as set forth in §5045 of this Agreement.

g. Methods of Procurement

(1) Contractor shall use one (1) of the following methods of procurement either by bid or proposal, as appropriate for each procurement action, for entering into contracts with subcontractors. Contractors shall conduct procurement in a manner that provides full and open competition. Contractor shall perform a cost or price analysis in connection with every procurement action in excess of the small purchase procedures, including contract modifications to determine that the expenditure is reasonable. When any purchase is made, it can only be for an allowable cost. Invitations for bids shall clearly set forth all requirements that the bidder must fulfill in order for his bid to be evaluated by the grantee. Grievance process procedures shall be included in each of the following methods of advertised procurement. Specific requirements and procedures are set forth in 24 CFR §84.44, 2 CFR 200, Los Angeles City Charter §370-§372, and 2 CFR Chapter I, Chapter II, Part 200, et al., incorporated herein by reference.

(2) Prior to entering into any subcontract that has a value of One Thousand Dollars (\$1,000) or more, the Contractor shall submit to LAHSA evidence that it has received a minimum bid(s) for such subcontractors and documentation that justifies the selection of the successful bidder. The Contractor shall maintain records showing the parties solicited and the bids submitted.

(a) Micro Purchase Procedure: Micro purchases are made from vendors for goods or services under \$10,000. No quotations or bids required, but an equitable distribution of purchases must be documented.

(b) Small Purchase Procedures: Small purchases are made from vendors for goods or services under \$250,000. Following the procedures for small purchases shall constitute justification of the procurement method chosen. The bid must indicate the quantity, time frame and all other requirements of the product or service sought. Bids must be solicited from vendors that can reasonably be expected to provide the goods or services needed.

The requirements are:

Dollar Range of Purchase	Contract and Method
\$10,001 to \$250,000	3 written bids received**

**Three (3) bids must be received by Contractor. The bid process and bids received must be documented in writing in the file. The Request for Bid must either be provided in writing to the vendors, or transmitted as uniformly as possible over the telephone. To be considered, the bid response must be signed and dated by the vendor.

(c) Purchase/Services Over \$250,000

Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in paragraph (c)(1) of this section apply.

(1) In order for sealed bidding to be feasible, the following conditions should be present:

- (i) A complete, adequate, and realistic specification or purchase description is available;
- (ii) Two or more responsible bidders are willing and able to compete effectively for the business; and
- (iii) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(2) If sealed bids are used, the following requirements apply:

- (i) Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, for local, and tribal governments, the invitation for bids must be publicly advertised;
- (ii) The invitation for bids, which shall include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
- (iii) All bids shall be opened at the time and place prescribed in the invitation for bids, and for local and tribal governments, the bids must be opened publicly;
- (iv) A firm fixed price contract award shall be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts shall only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

- (v) Any or all bids may be rejected if there is a sound documented reason.
- (vi) Issue a Public Notification made through an announcement in a local public medium (e.g., newspaper) that covers the entire service area.
- (d) Procurement by competitive proposals.

The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

- (1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered to the maximum extent practical;
- (2) Proposals must be solicited from an adequate number of qualified sources;
- (3) The non-Federal entity must have a written method for conducting technical evaluations of the proposals received and for selecting recipients;
- (4) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
- (5) The non-Federal entity may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(e) Procurement by Noncompetitive Proposals

Procurement by noncompetitive proposals. Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

- (1) The item is available only from a single source;
- (2) The public exigency or emergency for the requirement shall not permit a delay resulting from competitive solicitation;
- (3) The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the non-Federal entity; or
- (4) After solicitation of a number of sources, competition is determined inadequate.

(f) Contract Provisions

- (i) All contracts must contain at a minimum the following provisions:
 - i. Specific deliverables and the basis for payment;
 - ii. Provisions requiring compliance with Community Development Block Grantors (CDBG) including, but not limited to other funding source regulations;

- iii. Provisions that describe remedies for breach;
- iv. Provisions that describe Grantors CDBG and other funding sources patent and copyright rules;
- v. Provisions for termination for cause and convenience;
- vi. Access to records for audit purposes;
- vii. Audit requirements;
- viii. Provisions for payment and delivery;
- ix. Provisions describing contract amendment procedures;
- x. Provisions against assignment;
- xi. Provisions for equal opportunity and non-discrimination;
- xii. Provisions prohibiting conflicts of interest.

(g) Competition

(1) All procurement transactions must be conducted in a manner providing full and open competition consistent with the standards of this section. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements. Some of the situations considered to be restrictive of competition include but are not limited to:

- (i) Placing unreasonable requirements on firms in order for them to qualify to do business;
- (ii) Requiring unnecessary experience and excessive bonding;
- (iii) Noncompetitive pricing practices between firms or between affiliated companies;
- (iv) Noncompetitive contracts to consultants that are on retainer contracts;
- (v) Organizational conflicts of interest;
- (vi) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance or other relevant requirements of the procurement; and
- (vii) Any arbitrary action in the procurement process.

(2) The non-Federal entity must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts state licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) The non-Federal entity must have written procedures for procurement transactions. These procedures must ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description must not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured and, when necessary, must set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equivalent" description may be used as a means to define the performance or other salient requirements of procurement. The specific features of the named brand which must be met by offers must be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) The non-Federal entity must ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the non-Federal entity must not preclude potential bidders from qualifying during the solicitation period.

(h) Appeal and Dispute Procedures

LAHSA and its contractors shall have protest procedures to hand and resolve disputes relating to their procurement. A protester shall exhaust all administrative remedies with the contractor before pursuing a protest at a higher level. Notice of appeal rights and procedures must be given to all bidders.
