#### Impact Information

Date: 03/29/2023

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 22-0247

Agenda Date:

Item Number:

Summary: The Tarzana Neighborhood Council Board adopts the Animal Welfare Committee's request to file a Community Impact Statement regarding City Council File 22-0247 as it pertains to the Sepulveda Basin Dog Park as follows: We are against the portion of the Council File that may pertain to the Dog Park unless it is amended as follows: 1. None of the land of the Dog Park is to be taken for the bike path. 2. No trees, especially shade trees, in or adjacent to the Dog Park are removed. 3. The Dog Park is not closed during construction. 4. The bike path has sufficient separation from the Dog Park so that dogs in the park will not chase bikes along the fence line, causing injury to other dogs or people in the Dog Park or adjacent to it. 5. For safety purposes the parking lot for the Dog Park should be separated by fencing, without a gate, from any current or future bike path. 6. Because dog owners want to use the Dog Park after they get home from work lights should be installed. 7. It is further recommended that before any plan for the bike path is approved and before construction begins, users of the Dog Park, the organization Friends of the Sepulveda Basin Off-Leash Dog Park, as well as the impacted Neighborhood Councils, should be given an opportunity to provide input, at a town hall or other meeting. Hundreds of local residents regularly use the Dog Park and have not been given an adequate opportunity to provide input. There are alternatives to the current plan which have been developed by users of the Dog Park, such as continuing the bike path south of the Los Angeles River, which have not been given a hearing.
