RE: Position Letter in **FAVOR** of Council File 22-0357

ABRA supports the City's proposed resolution **STRONGLY SUPPORTING** the confirmation of Judge Ketanji Brown Jackson to the United States Supreme Court. — For all of the reasons outlined in the resolution itself. She is beyond qualified, and the time is now for representation of black women and girls on the Supreme Court. ABRA celebrates the City's clear endorsement of Judge Ketanji Brown Jackson.
