**Comments for Public Posting:** I am writing to comment on the proposed Amendment to the Ventura-Cahuenga Boulevard Corridor Specific Plan. I live in this area. I am a Director of the Cahuenga Pass Property Owners Association. I am opposed to the proposed amendment and ask that it NOT be approved as written, given it needs more work before being adopted. Specifically: 1) There should be TWO representatives from each community and not just one. Plus one member from the Mayor. Two people from each community will provide better continuity and back-up for each area's interests. 2) There should NOT be ANY TERM LIMITS. Who is proposing this? NONE of the other City Boards have term limits. What is the justification for having them here??? Thank you for considering my request/comments. Sincerely, David Kegaries

**Comments for Public Posting:** I am NOT in support of this issue. There should be TWO representatives from each Council District, so that if one is unable to attend, the other can be present to get information or vote. One member should be appointed by the Mayor. NO TERM LIMITS -- It takes a very long time to become acquainted with the ins-and-outs of government and the local issues that constituents face every day. This can take a couple of years to become familiar enough to be able to vote on an issue. Krista Michaels, President Cahuenga Pass Property Owners Association
