Hello,

I would love to show my support in saving the Pacific Dining Car. I loved loved loved this place from the food to the service, the ambiance, but most importantly and the main reason I loved this place was because it was 24hour restaurant. I did my business later in the day and ate dinner when I wanted to eat dinner which would be in the middle of the night but I was able to go eat at such an exquisite place at those times, it was fabulous. I hope I get to enjoy the Pacific Dining Car one day again, even if it's not in the middle of the night. I will work around their operating hours.

Thank you,
V Ramirez
