I am submitting this application along with the attached checklist and required documents to the above address. I understand that submittal of this application does not guarantee an approval for a tree or shrub removal permit. If the tree or shrub removal permit is granted, I understand I will be required to replace the removed tree(s) or shrub(s) at a ratio determined by the Urban Forestry Division and pay any outstanding planting, removal and/or permit fees in accordance with City policy. I understand that average processing time for the tree and shrub removal permits is 90 to 120 days from the time a complete application is received. This time frame is an average only and is subject to fluctuate upon project complexity and further review.

I understand and agree to defend, indemnify, and hold harmless, the City, its officers, agents, employees, and volunteers (collectively "City"), from any and all legal actions, claims, or proceedings (including administrative or alternative dispute resolution (collectively "actions"), arising out of any City process or approval prompted by this application either in whole in part. Such actions include but are not limited to: actions to attack, set aside, void, or otherwise modify, an entitlement approval, environmental review, or subsequent permit decision; actions for personal or property damage; actions based on an allegation of an unlawful pattern and practice; inverse condemnation actions; and civil rights or an action based on the protected status of the petitioner or claimant under state or federal law (e.g. ADA or Unruh Act). I understand and agree to reimburse the City for any and all costs incurred in defense of such actions. This includes, but it's not limited to, the payment of all court costs and attorneys' fees, all judgments or awards, damages, and settlement costs. The indemnity language in this paragraph is intended to be interpreted to the broadest extent permitted by law and shall be in addition to any other indemnification language agreed to by the applicant.
