Comments for Public Posting: This motion is too vague. 1) What are these "various planning activities" along Venice Blvd? 2) Where are these activities taking place? Venice is one of longest of roads in Los Angeles. It stretches for miles from Downtown LA to Venice Beach. 3) When are these activities occurring and ending? 4) And why does LADOT need consultant services? It's all a mystery. Appropriation of public funds should be transparent. This motion should not be approved until all questions are answered.
