Comments for Public Posting: I am opposed to the city attacking its citizens by disarming them and making self defense a crime. The right to bear arms is a human right and shall not be infringed. If you agree, please consider looking in to the Libertarian Party of Los Angeles County. Democrats and Republicans both want you defenseless and easy targets for violent criminals. We in the Libertarian Party emphatically reject that notion and 100% support you and your right to self defense.
