Re: Council File 22-0771

Title: United States Supreme Court Ruling/Roe v. Wade/ Out of State Abortion Services/ City Resources

The Glassell Park Neighborhood Council (GPNC) supports this motion because it is imperative that public funds and legal resources are not utilized to limit the autonomy and privacy of individuals seeking, receiving, or providing medical care as defined by Council File 22-0771. We understand that women seeking this specific reproductive health procedure do not do so lightly. Thus, reproductive health decisions should remain an informed decision between a woman and her healthcare provider. Council File 22-0771 ensures reproductive health can consequently remain free of interstate politicization since other states don't have jurisdiction in California.

Sincerely,

Erick Vasquez, President

Glassell Park Neighborhood Council
