

## Communication from Public

**Name:** Kezban

**Date Submitted:** 06/08/2024 08:48 AM

**Council File No:** 22-0822-S2

**Comments for Public Posting:** Dear council members I'm writing in support the motion to amend the effective date and us hosts need a simple and streamlined process, not an additional red tape. It's incredibly and increasingly difficult to maintain expenses to own a house in Los Angeles, everything feels unaffordable, we need support we need help to be able to pay for our property taxes. Please, help us. Thanks! Best, Kezi
