Comments for Public Posting: I write to ask you to vote NO on Agenda Item 12 in Friday's City Council. Further militarization of law enforcement should not be allowed to happen. It is not necessary and only furthers negative perceptions and an "at war" mindset. This agenda item should not be approved today. Council has until Oct 26 (180 days after LAPD proposed its policy on April 29) to fully consider the matter. Thank you.
