Comments for Public Posting: I strongly urge city council to support adopting Healthy Streets LA as an ordinance. As a pedestrian, public transit user, and cyclist I want the streets to be safer for everyone. We've been waiting almost a decade for these transit improvements to happen as part of the Mobility Plan. We can't wait 200 years, which is the pace the city is implementing the plan on currently. *The resulting more efficient, decongested, less polluted, safer and more liveable streets are a no-brainer of an outcome!* Best, Auguste Miller
