Re: City Council District 10

Dear Council President Martinez,

Since February 2022, Council District 10 has been continuously plagued by injunctions to remove Herb Wesson, who the City Council appointed as interim 10th District Councilmember. This latest injunction has taken away all voting powers from Herb Wesson, effectively removing proper representation for CD10. In an effort to show support for Council District 10, the City Council appointed Chief of Staff Heather Hutt as Caretaker. Unfortunately, Ms. Hutt has no voting power and is not allowed to present motions which for the community is very frustrating.

This latest lawsuit filed by the Southern Christian Leadership Conference of Southern California (SCLC) to challenge Council Member Wesson's appointment yet again leaves the constituents of CD10 at a disadvantage. Ms. Hutt is committed to serving the community. She has years of experience serving at both the state and federal levels of government, establishing strong relationships with elected officials on all levels. Ms. Hutt understands our needs, knows our history, lives in the community, and has the experience and integrity needed to represent CD10 well.

Council District 10 has over 250,000 constituents without a vote at the City Council, which significantly impacts services and resources. The constituents of CD10 cannot be fairly and adequately represented unless they have a voting representative on the City Council.

I respectfully request that the Los Angeles City Council appoint Miss Heather Hutt to have full voting and representation rights for Council District 10.

Thank you,

We need representation in our district. As a lifelong resident and small business owner in the community it is imperative that we are appointed a representative swiftly. We need someone that knows what's going on in the neighborhood and cares about the people in it. Heather Hutt is a civil servant who has dedicated her career to helping the people. I believe she is the most qualified person in a position to take this role as we need someone urgently. Please appoint Heather Hutt as our council member for CD 10. We have not had a voting member to represent our voice in the city council for too long.--

Re: City Council District 10

Dear Council President Martinez,

This letter is in support of Heather Hutt to immediately be appointed by the Los Angeles City Council as the interim Councilmember for the 10th District.

Since February 2022, Council District 10 has been burdened with having representation and then NOT having representation since the City Council made the unanimous decision to appoint Herb Wesson as the interim City Council Member of the 10th District.

This latest injunction has once again taken away the voice of the hundreds of thousands of residence of the 10th District. Your appointment of Heather Hutt as the "Caretaker" of the district does provide the residents of the district with a staff member who can at least work with the city and its staff to advocate that service continue to flow to the residents and business who are working diligently to put their lives back together after the devastation and continuous strains do to the COVID virus, but they deserve better; they deserve to have a voice in city hall who can speak and VOTE on behalf of the those who live and work within the 10th district.

Unfortunately, Ms. Hutt has no voting power and is not allowed to present motions which for the community is very frustrating and hinder the progress of the residents of the 10th District.

This latest lawsuit filed by Reverend William Smart on behalf of the Southern Christian Leadership Conference of Southern California (SCLCSC) to challenge Council Member Wesson's appointment yet again leaves the constituents of CD10 at a disadvantage. Ms. Hutt is committed to serving the community. She has years of experience serving at both the state and federal levels of government, establishing strong relationships with elected officials on all levels. Ms. Hutt understands the needs of the district and its residents and as a resident of the district for years has both the experience and integrity needed to represent CD10 well.

I respectfully request that the Los Angeles City Council immediately appoint Miss Heather Hutt as Interim Councilmember of the 10th District with full voting authority and the ability to fully represent the rights of Council District 10 until such time as Councilmember Mark Ridley-Thomas's legal process has been resolved so that we can bring back some order and restore the integrity of the 10th District to its residents and businesses.

Thank you,

To show support for Los Angeles Council District 10 (CD10), the City Council appointed Chief of Staff Heather Hutt as Caretaker. Unfortunately, Ms. Hutt has no voting power and is not allowed to present motions which leaves the constituents of CD10 at a disadvantage.

The constituents of Council District 10 should not remain disenfranchised during the ongoing legal challenges in our district. We demand qualified and experienced representation.

Should the Honorable Herb Wesson be barred from serving as a board appointed member for Council District 10, we recommend that Chief of Staff and current Caretaker, Heather Hutt, be instated as the board appointed member with the full authority to attend committee meetings, make motions and vote on behalf of the constituents.

Ms. Hutt is committed to serving the community and brings with her years of experience. Ms. Hutt understands our needs, knows our history, lives in the community, and has the experience and integrity needed to represent CD10. She worked with Senator Kamala Harris, on both the state and federal level in government, establishing strong relationships with elected officials on all levels.

The constituents of CD10 will not be satisfied until we have a voting representative on the City Council. To continue operating smoothly we welcome any move by the City Council to appoint Ms. Hutt to the board.

Sincerely,

Empowerment Congress West Area Neighborhood Development Council (ECWANDC)

Greetings! Councilmember Martinez. I am a very concerned member of district 10. It's wonderful to have ears and eyes at the table for district 10. We were without any representation for a while. It was very hard on me and my family to function. It was extremely exhausted knowing that we were lost in district 10. Now I truly believe that we have someone who truly cares about district 10, someone who has lived in district 10, and someone who will fight for district 10. I'm talking about Heather Hutt. Please allow her to represent district 10. We need someone who knows what our community needs.

Greetings Nury,

Thank you for your courage and best efforts in maintaining public trust of the Los Angeles City Council. In the matter of Council District 10 I am asking you to give strong consideration to the immediate appointment of Heather Hutt to serve as interim Councilmember. The 10th District has gone long enough without a voting member and now that a judge has made it clear Mr. Wesson is not eligible to serve at this time it is imperative that we have some continuity.

As a former commissioner and long time resident of CD 10 it has been truly frustrating for our district to not have this matter settled. Heather Hutt is the clear choice to serve in the interim. She knows the community and has a long track record of serving our communities.

Please ensure continuity and give CD 10 immediate resolve by appointing Heather Hutt as Interim Council.

Thank you,

Dear Council President Martinez,

Since February 2022, Council District 10 has been continuously plagued by injunctions to remove Herb Wesson, who the City Council appointed as interim 10th District Councilmember. This latest injunction has taken away all voting powers from Herb Wesson, effectively removing proper representation for CD10. In an effort to show support for Council District 10, the City Council appointed Chief of Staff Heather Hutt as Caretaker. Unfortunately, Ms. Hutt has no voting power and is not allowed to present motions which for the community is very frustrating.

This latest lawsuit filed by the Southern Christian Leadership Conference of Southern California (SCLC) to challenge Council Member Wesson's appointment yet again leaves the constituents of CD10 at a disadvantage. Ms. Hutt is committed to serving the community. She has years of experience serving at both the state and federal levels of government, establishing strong relationships with elected officials on all levels. Ms. Hutt understands our needs, knows our history, lives in the community, and has the experience and integrity needed to represent CD10 well.

Council District 10 has over 250,000 constituents without a vote at the City Council, which significantly impacts services and resources. The constituents of CD10 cannot be fairly and adequately represented unless they have a voting representative on the City Council.

I respectfully request that the Los Angeles City Council appoint Miss Heather Hutt to have full voting and representation rights for Council District 10.

STENTORIANS

The Association of African Americans in the Fire Service

August 23, 2022

The Los Angeles City Stentorians
1409 West Vernon Avenue
Los Angeles, CA 90062

The Honorable Nury Martinez
Council President
200 N. Spring Street, Suite 470
Los Angeles, CA. 90012

Dear Council President Martinez,

The Stentorians of Los Angeles City were founded in 1954 and stand on the principles of recruitment, retention and promotion for people of color in the Fire Service and throughout the City of Los Angeles.

We are keenly aware of the challenges faced in Council District 10 (CD-10) with the leadership void created by the legal issues facing Council-member Mark Ridley Thomas.

To that end, since February 2022, CD-10 has been continuously plagued by injunctions to remove the appointed interim Council-member, Herb Wesson.

This latest injunction has removed all voting powers from Herb Wesson, effectively removing proper representation for CD-10.

The City Council took the appreciated step and appointed Chief of Staff Heather Hutt as caretaker.

Unfortunately, Ms. Hutt has no voting power, nor is she allowed to present motions on behalf of CD-10.

This is very frustrating for the community and extremely unfair.

The Stentorians respectfully requests that Heather Hutt be appointed and be given full voting and representation rights for CD-10.

Ms. Hutt is committed to serving the community. She has years of experience at both the state and federal levels of government, establishing strong relationships with elected officials.

President Martinez,
August 23, 2022
Page 2

Ms. Hutt understands the needs, knows the history, has the integrity, lives in the community and possesses the prerequisite experience to effectively represent CD-10.

The constituents of CD-10 cannot be fairly and adequately represented unless they have a voting representative on the City Council.

CD-10 has over 250,000 thousand constituents without a single vote at the City Council, which severely impacts services and resources.

The Stentorians of Los Angeles City thank you in advance and ask for your understanding, compassion, fundamental fairness and prompt attention for the appointment of the best person for this position, Ms. Heather Hutt.

If you have any further questions, please contact our offices at (323) 294-4143.

Dear Council President Martinez,

Thank you for listening to the community's concerns to appoint former Councilmember Herb Wesson as the interim representative for Council District 10, replacing Councilmember Ridley-Thomas back in February. We know that you took a lot of heat for that decision, and we are very grateful for your actions. Unfortunately, Councilmember Wesson's presence has created a chain of lawsuits that led the City Council to officially assign Chief of Staff Heather Hutt as Caretaker. While I overwhelmingly support Ms. Hutt as Caretaker, we need her to be appointed to the board with full voting privileges. Anything less leaves the constituents of CD10 at a clear disadvantage.

I was happy when Councilmember Wesson hired Ms. Hutt as his Chief of Staff. She is committed to serving the community and brings with her years of experience at both the state and federal levels of government. Most notably, Ms. Hutt served as the state director for then Senator and now Vice President Kamala Harris, and I am confident that she can do the job. Ms. Hutt is familiar with the district, understands our needs, knows our history, lives in the community and has strong relationships with elected officials on all levels. We couldn't ask for someone more qualified to represent CD10 than Ms. Hutt.

The City Council should not allow a small group of rogue individuals, many of whom don't reside in CD10 to continue working to keep over 250,000 residents from having representation on the council. Two months without a vote at the City Council is two months too long. Constituents of CD10 cannot be fairly and adequately represented unless they have a voting representative. I strongly request that the City Council appoint Ms. Hutt to the board with full capability of committee and council meeting participation, as well as the ability to make motions and cast votes, until such time as Councilmember Mark Ridley-Thomas' suspension is rescinded or a new Council Member is elected.

Thank you for your consideration,

Respectfully,

Brenda Ashby

I write to ask that Heather Hutt, current caretaker of CD10, be granted full voting rights.

CD10 is currently vulnerable, the care taker cannot properly manage the district without being able to present and vote on items. We cannot continue to hope that other members of the council will protect or preserve our interests.

Without having someone who can fully execute the duties of this office CD10 could suffer irreparable harm prior to a regularly scheduled election.

Dear Council President Nury Martinez:

Council District 10 is being put in the middle of a barrage of injunctions filed since the appointment of Herb Wesson as the interim Councilmember for the district following the suspension of Mark Ridley-Thomas.

Representation for this district has been constantly interrupted during most of the current term. The constituents in the district make up over 250,000, yet no one has voting power right now to provide services and resources for the district.

Heather Hutt is a great representative for the district, and is a resident that has been fighting for this community for many years. She has experience work on multiple levels of government. Please empower her with voting rights so the district can get the true representation, resources and services it deserves. It is imperative that she have full voting rights to introduce motions for the district.

Please have City Council vote on this matter asap. **The time is always right to do the right thing.** Martin Luther King, Jr.

Hi Councilmember Martinez,

I am writing to you regarding the proposed changes to the City of Los Angeles Charter. I am a resident of District 10 and I am concerned about the potential impact of these changes on our community. I would like to express my concerns and provide my input on this matter.

The proposed changes to the Charter are a significant step in the process of reforming the City of Los Angeles. However, I believe that some of the proposed changes are not in the best interests of our community. Specifically, I am concerned about the potential impact of the proposed changes on the City's ability to provide essential services to our residents. I believe that the proposed changes could result in a loss of funding for these services, which could have a negative impact on our community.

I would like to request that you consider my concerns and provide me with more information about the proposed changes. I would also like to request that you consider my input on this matter. I believe that my input is important and I would like to ensure that my concerns are taken into account.

Re: City Council District 10

Dear Council President Martinez,

Since February 2022, Council District 10 has been continuously plagued by injunctions to remove Herb Wesson, who the City Council appointed as interim 10th District Councilmember. This latest injunction has taken away all voting powers from Herb Wesson, effectively removing proper representation for CD10. In an effort to show support for Council District 10, the City Council appointed Chief of Staff Heather Hutt as Caretaker. Unfortunately, Ms. Hutt has no voting power and is not allowed to present motions which for the community is very frustrating.

This latest lawsuit filed by the Southern Christian Leadership Conference of Southern California (SCLC) to challenge Council Member Wesson's appointment yet again leaves the constituents of CD10 at a disadvantage. Ms. Hutt is committed to serving the community. She has years of experience serving at both the state and federal levels of government, establishing strong relationships with elected officials on all levels. Ms. Hutt understands our needs, knows our history, lives in the community, and has the experience and integrity needed to represent CD10 well.

Council District 10 has over 250,000 constituents without a vote at the City Council, which significantly impacts services and resources. The constituents of CD10 cannot be fairly and adequately represented unless they have a voting representative on the City Council.

I respectfully request that the Los Angeles City Council appoint Miss Heather Hutt to have full voting and representation rights for Council District 10.

Thank you,

Councilmember Martinez <councilmember.martinez@lacity.org>

Hello,

I'm a resident of CD 10 writing to express my belief that we need representation in our district. As a lifelong and 2nd generation resident of this community, it is imperative that we are appointed a representative swiftly.

We need someone that knows what's going on in the neighborhood and cares about the people in it. Heather Hutt is a civil servant who has dedicated her career to helping people within our community. I believe she is the most qualified person in a position to take this role as we need someone urgently.

Please appoint Heather Hutt as our council member for CD 10. We have not had a voting member to represent our voice in the city council for too long.

Sincerely,
Justyn Williams

Dear Council President Nury Martinez,

As a current constituent of City Council District 10, I am concerned for the limited representation in our district. The single act of appointing Heather Hutt as Caretaker simply does not address the lack of voting representation on matters affecting our district.

I have known Ms. Hutt for many years, I have followed her extensive career in both the state and federal levels. She is committed to the community in which she has been a long standing resident, understands the needs of our district, and has proved herself to be more than capable of making beneficial decisions affecting City Council District 10. Ms. Hutt has established and procured extensive working relationships in all levels of government as well as the private sector. Heather Hutt has the integrity, ability, and commitment to carry City Council District 10 forward.

I am requesting that Heather Hutt be given full voting rights which enable her to represent our district which has gone unrepresented for far too long.

This latest lawsuit filed by the Southern Christian Leadership Conference of Southern California (SCLC) to challenge Council Member Wesson's appointment yet again leaves the constituents of CD10 at a disadvantage. Ms. Hutt is committed to serving the community. She has years of experience serving at both the state and federal levels of government, establishing strong relationships with elected officials on all levels. Ms. Hutt understands our needs, knows our history, lives in the community, and has the experience and integrity needed to represent CD10 well.

Council District 10 has over 250,000 constituents without a vote at the City Council, which significantly impacts services and resources. The constituents of CD10 cannot be fairly and adequately represented unless they have a voting representative on the City Council.

I respectfully request that the Los Angeles City Council appoint Miss Heather Hutt to have full voting and representation rights for Council District 10.

Dear Council President Nury Martinez,

As a former constituent of City Council District 6, and current constituent of City Council District 10, I am writing to express my concern for the lack of representation in our district. With the removal of Herb Wesson as the Interim Councilmember of City Council District 10, we lack representation on matters voted on amongst the City Council that potentially affect our district.

The appointment of Heather Hutt as Caretaker unfortunately does not address the lack of voting representation. I have known Ms. Hutt for many years, and have followed her career on the state and federal level. She is committed to the community of which she is a long time resident of, she understands the needs of our district, and has proved herself to be more than capable of making sound decisions for City Council District 10. She has established solid working relationships, which she continues to nurture, on all levels of government. Heather Hutt has the commitment, integrity, and ability to carry City Council District 10 forward.

I respectfully request that Heather Hutt be given full voting rights which enable her to represent our neglected district until matters surrounding Councilmember Elect have been resolved.

Thank you for your time,

Betty Neal

Council President, City of Los Angeles

Dear Council President Nury Martinez,

As a resident of Council District 10, I am writing you to request that the Los Angeles City Council please appoint Ms. Heather Hutt to have full representation and voting rights to speak for the residents of Council District Ten. I applaud your decision to appoint Ms. Hutt the caretaker of Council District 10 to handle fiscal and administrative duties, now continue this effort with the next logical step and appoint her voting rights and allow her to fully represent the 10th Council District.

I have known Heather Hutt my entire life and she is one of the most dedicated and community involved persons I know and has held positions in community organizations as well as at the state and federal government levels giving her many well-established relationships that will serve the Council District 10 well.

Ms. Hutt has resided in the district her entire life and has deep ties in the community and understands the needs and priorities of the district. The residents of the 10th District need a voice at the City Council.

I again humbly request that you appoint Heather Hutt full voting and representation rights on the Los Angeles City Council.

Thank You in advance,

Matthew Davis
Resident of Council District 10

Re: City Council District 10

Dear Council President Martinez,

Since February 2022, Council District 10 has been continuously plagued by injunctions to remove Herb Wesson, who the City Council appointed as interim 10th District Councilmember. This latest injunction has taken away all voting powers from Herb Wesson, effectively removing proper representation for CD10. In an effort to show support for Council District 10, the City Council appointed Chief of Staff Heather Hutt as Caretaker. Unfortunately, Ms. Hutt has no voting power and is not allowed to present motions which for the community is very frustrating.

Hi there,

I'm writing to voice my support for appointing Heather Hutt to lead the Los Angeles City Council 10th District.

As a lifelong member of the 10th District, I've witnessed Heather Hutt be civically engaged, solution oriented, and completely dedicated to our community throughout her career as a civil servant.

I cannot think of a more qualified or exemplary person to represent the 10th District and believe her appointment as our council member would be an asset to our local community and the city at large.

Thank you and have a blessed week!

Regards,

Simon Maharai

This latest injunction has taken away all voting powers from Herb Wesson, effectively removing proper representation for CD10. Unfortunately, Ms. Hutt has no voting power and is not allowed to present motions which for the community of Crenshaw Manor and many surrounding areas is very frustrating.

The latest lawsuit filed by the Southern Christian Leadership Conference of Southern California (SCLC) to challenge Council Member Wesson's appointment yet again leaves the constituents of CD10 at a distinct disadvantage. Ms. Hutt is committed to serving the community and has years of experience serving at both the state and federal levels of government, establishing strong relationships with elected officials on all levels. The constituents of CD10 cannot be fairly and adequately represented unless they have a voting representative on the City Council. We firmly request that the Los Angeles City Council appoint Ms. Hutt to have full voting and representation rights for Council District Ten for the remainder of the calendar year of 2022 (December 31, 2022).
