**Comments for Public Posting:** Dear Council Members, As a board member of my neighborhood council, I write to urge you to allow Neighborhood Councils to have the option to function remotely such as Zoom and or online/telephonic means of communication. Many people don't have the option to attend in person council meetings due to work and family. Many of us like having the option to attend neighborhood council meetings remotely because it is convenient. I ask that the Los Angeles City Council to please allow Neighborhood Councils the option to operate remotely such as Zoom. Thank you!
