Honorable Councilmembers,

I am writing to urge you to adopt the Hotel Worker Protection Ordinance.

Housekeepers are the only classification in the hospitality industry that get paid like garment workers: paid based on the amount of work they do. When the minimum wage goes up, some hotels then raise the room quotas on the housekeepers, so they don't really make more money per room. This law makes sure they are fairly compensated when they clean more rooms. The Los Angeles City Council should implement this law now.

Adopting this policy will empower us all to ensure the City of Los Angeles comes back from the pandemic stronger than ever.

This law was passed in Long Beach, Santa Monica, West Hollywood, and most recently, in Glendale this past Tuesday. This law has been tested and it works. The Los Angeles City Council should provide the same rights to its housekeepers that these other cities do

Please implement this law now.
