Clerk Council and Public Services,

I am writing in support of the Hotel Worker Protection Ordinance and I urge you to adopt the policy now.

Every time working people try to protect their rights, the big corporations and their lobbyists say misleading things to try to scare us. Remember when they told us the minimum wage hurt the hotel industry? Now they are at it again. Lobbyists are telling Councilmembers that we can't do this law because of the drought.

But this law PROTECTS the environment. Read Section 182.03 D of the initiative:

"This subsection does not prevent a hotel from continuing, modifying or establishing a sustainable environmental program, such as a 'green program,' under which guests are encouraged to re-use linens, bath towels or similar items, nor does it require a hotel to have any guest room cleaned when the occupant has opted-out of such service without solicitation by the hotel or when the occupant informs the hotel that they do not wish to be disturbed."

Housekeepers and their allies collected 110,000 signatures from Los Angeles residents in support of this law. Overwhelmingly, Los Angeles voters stand with housekeepers. We are asking that you choose to do so as well.

Please, listen to housekeepers and voters and adopt this law now.
