**Comments for Public Posting:** Dear Council Member John Lee and Council Members, I do not think it would be wise for Council Member John Lee, Council District 12, to ask the City Council to "transfer \$15,856 for the Sunshine Canyon Community Amenities Trust Fund (No. 699-14) to be allocated to Supporters of Law Enforcement in Devonshire (SOLID)" for the purposes of buying new furniture. The reason why I am opposed to it is that the Los Angeles Police Department (LAPD) has the HIGHEST budget in the City of Los Angeles. I do not think it is right for council-member John Lee to make such a request at the expense of the community that needs the money for other social services and community development and improvements. The money could be better spent on sidewalk repair, shade trees, helping those living in poverty, and such. I ask that council member Lee withdraw this motion, and to reconsider his decision. Thank You!
