Comments for Public Posting: I'm very much opposed to digital kiosks unless they are located where there is plenty of space at MAJOR TRANSIT HUBS ONLY. We have too much clutter in our sidewalk areas. We need to use what's left of our precious sidewalk space for more shade trees and to ensure the ease of pedestrian flow. Include wayfinding and/or an app at the STAP's - we don't need separate digital apparatus in the public right of ways.
