Comments for Public Posting: I strongly support this. Please see Crucial City Funding: Spay and Neuter Saves Money and Lives, December 2, 2019, <https://citywatchla.com/index.php/budget-advocates-hidden/18933-crucial-city-funding-spay-and-neuter-saves-money-and-lives> Please talk to Michael Bell about a program he developed to promote spay/neuter, in which all actors would donate their time, but which was rejected by the Department of Animal Services (LAAS) General Manager at the time. This comment is written in my private individual capacity, and not on behalf of LAAS.
