Summary: All elected officials of the City are expected to conform to the highest standards of personal and professional conduct. The conduct of Nury Martinez, Kevin De Leon, and Gil Cedillo at the meeting with Ron Herrera of the Los Angeles County Federation of Labor in October 2021 grossly failed to meet the high standards expected of them as elected officials of the City of Los Angeles. Section 209 of the City Charter gives the City Council the power to adopt, by a two-thirds vote, a resolution of censure, and this should be done. Additionally, due to the toxic divisiveness of their remarks during the October 2021 meeting, and in the interests of returning the City Council to a body that can command respect and govern, we, as one of the City's 99 certified Neighborhood Councils also call for them to resign from office.
