Summary: Resolved: The TNC Board approves the filing a CIS supporting Council File 22-1189 calling for the censure of Council members Nury Martinez, Kevin de Leon and Gil Cedillo for their conduct and statements during a referenced meeting of October 2021 and demanding their immediate resignation from the City Council. All elected officials of the City are expected to conform to the highest standards of personal and professional conduct. At all times, and especially at the very moment when our nation and our city have suffered so painfully from hatred, racism and toxic divisiveness, every Member of the City Council must demonstrate a clear commitment to uniting people around our common values and our common interests in building a better future together. Every Member of the City Council has an obligation to ensure that our constituents can have confidence that we will serve each of them with equity, fairness, and dignity, and that no resident of our city will be mistreated or excluded because of their identity. During a meeting of the above City Council Members and a local labor union leader discussing redistricting in October 2021 the Members engaged in racial slurs against African Americans and hateful remarks regarding LGBTQ, another Council Member's son, Jews, Armenians, and indigenous persons. The hateful comments of those City Council Members have created a toxic climate that needs to be healed. It is inconceivable that the City Council can attend to the City's business if any of the three Members continue to retain their Council seats. Healing can only begin with the resignation of all three of the Council Members.
