POLICE COMMISSION
22-201

TO: The Honorable Board of Police Commissioners

FROM: Chief of Police

SUBJECT: APPROVAL OF NON-MONETARY DONATION

RECOMMENDED ACTION

1. That the Board of Police Commissioners APPROVE the Department's Report and TRANSMIT to the Mayor and City Council for ACCEPTANCE of the following non-monetary donation of \$58,845.34 for Office of Operation.

<u>DONOR:</u>	<u>ITEM:</u>	<u>VALUE:</u>
Los Angeles Police Foundation Ms. Dana Katz, Executive Director 633 West 5 th Street, Suite 960 Los Angeles, California 90071 (213) 489-4636	Passenger Van (#2022-105)	\$58,845.34

DISCUSSION

This donation will provide a 2023 Ford Transit Van for the Police Orientation Preparation Program, a two-year associate degree program for ages 17-21 that aspire to launch careers in first response and public service, and the Police Academy Magnet School Program, a career technical education program within seven Los Angeles high schools designed to help prepare students for law enforcement careers. Both programs connect its participants with educational and interactive activities. Funding of the passenger van will provide transportation for the students to events associated with their respective programs.

The Los Angeles Police Foundation is an independent, not-for-profit organization that provides critical resources and vital support to the Los Angeles Police Department (LAPD). From essential equipment and state-of-the-art technology to specialized training and innovative programs that would otherwise be unfunded, the Foundation provides funding that directly improves public safety, impacts officer readiness, and enhances the quality of life of all members of the community. As the largest source of private support for the LAPD, the Foundation is passionately dedicated to ensuring that Los Angeles remains America's safest major city. Since being established in 1998, the Foundation has invested tens of millions of dollars in hundreds of LAPD initiatives that promote excellence, expand capabilities, strengthen neighborhoods and create opportunities for at-risk youth. These actions are grounded in the beliefs that a safe city is a strong city and that together we can make a difference.

The Honorable Board of Police Commissioners

SUBJECT: LOS ANGELES POLICE FOUNDATION GRANT REQUEST
- RESTRICTED ACCOUNT

**NAME OF REQUEST: POLICE ORIENTATION PREPARATION PROGRAM AND
POLICE OFFICER MAGNATE SCHOOL PASSENGER VAN**

Public Engagement Section, Office of Operations, requests funding for the purchase of one lightbar-equipped passenger van for use with the Police Academy Magnate School (PAMS) program and Police Orientation Preparation Program (POPP). The van, if approved, will be used by Department personnel for the transportation of students in the PAMS and POPP programs to events associated with the respective programs.

The PAMS program offers an academically and physically rigorous career pathway for young men and women in middle school and high school who are interested in law enforcement and criminal justice. These officer-led school-based programs afford students specialized coursework, training, mentoring, work and volunteer opportunities and provide a better understanding of law enforcement. The programs also provide a recruiting pipeline of diverse, highly qualified candidates for the Department.

The POPP program partners with the Los Angeles Community College District and serves college-age students on the cusp of being eligible to apply to become LAPD officers.

Approval of this grant benefits the Department by improving the students' ability to attend and participate in events at locations such as the Edward M. Davis Training Facility, Elysian Park Police Academy, and Los Angeles Valley College campus. For some students, lack of transportation significantly impacts their ability to fully participate in the programs and the van would serve to fill that need.

Director of Police Transportation II Dirk Aubuchon, Commanding Officer of Motor Transport Division advised Public Engagement Section that Motor Transport Division would be willing and able to service and maintain the vehicle, if acquired.
