Summary: The Reseda Neighborhood Council calls on Councilmembers de León, and Cedillo to immediately resign from the Los Angeles City Council, as Nury Martinez has now done. As widely reported by the LA Times and Knock LA, all three councilmembers engaged in an abhorrent conversation that disparaged and disrespected Councilmember Mike Bonin and his family, other City Councilmembers, the Black community, the redistricting process, and Angelenos everywhere. These councilmembers should take ownership of their vile and inexcusable actions and immediately resign. While resignation will not begin to repair the damage that has been done to our City, it is the first step in showing true accountability and remorse. Los Angeles cannot begin to heal while these two remain in power. Please see attached document for our full statement.

The Reseda Neighborhood Council calls on Councilmembers de León, and Cedillo to immediately resign from the Los Angeles City Council, as Nury Martinez has now done. As widely reported by the [LA Times](#) and [Knock LA](#), all three councilmembers engaged in an abhorrent conversation that disparaged and disrespected Councilmember Mike Bonin and his family, other City Councilmembers, the Black community, the redistricting process, and Angelenos everywhere. These councilmembers should take ownership of their vile and inexcusable actions and immediately resign. While resignation will not begin to repair the damage that has been done to our City, it is the first step in showing true accountability and remorse. Los Angeles cannot begin to heal while these two remain in power.

In the event these two councilmembers fail to see the urgency of the need for their resignations, the City Council itself has a duty to act. The City Council must agendize a censure of Councilmembers de León and Cedillo, if they fail to resign. Neighborhood council leaders expect a unanimous vote on these censures. Anything less is tantamount to an endorsement of anti-black racism, violence against children, gerrymandering, and power brokering in backroom deals, in violation of the Brown Act.

Make no mistake. The current situation is not merely a matter of some errant words spoken in frustration and taken out of context. Instead, the portions of the recording already released are evidence of intentional violation of the law during the redistricting process. Specifically, Section 5 of the Voting Rights Acts requires that redistricting changes can be proven to not have a discriminatory purpose or effect. In the recording released and commented on by the LA Times, we see clear evidence of an overt discriminatory purpose in redistricting proposals which were subsequently adopted. This opens up the city to liability and makes urgent the need for a truly independent redistricting commission. We also believe that the City Council desperately needs expansion. We are the most underrepresented City Council in the entire nation with a constituent to representative ratio of 260,000 to 1. This concentration of power in too few hands drives the favor brokering and horse trading on display. Angelenos desperately need diverse

representative government, not those who cling to racism in justification for their policymaking. Our community of Reseda was one that these three despicable villains recommended to “chop up and put in the blender” via their specific intent of harming Council District 4. We are a diverse lower income community of color and it sickens the people of Reseda how little regard for our community was on display in these recordings.

There were multiple examples of discrimination on display that day. Councilmember de León compared an adopted Black child to a luxury handbag. Councilmember Martinez disparaged the Indigenous Oaxacan community in Koreatown saying “I see a lot of little short dark people,” employing stereotypes long used against Oaxacans in Mexico and in the United States. “I was like, I don’t know where these people are from, I don’t know what village they came [from], how they got here,” Martinez said, before adding “Tan feos” - (They’re so ugly). Councilmember Martinez called Councilmember Bonin’s son a racially charged slur and expressed that “this kid needs a beat down” regarding his excitement at participating in an MLK Day parade. Councilmember Martinez says that District Attorney Gascon should expletive himself and gives the reason why as because he is “with the Blacks.” Throughout the released recordings, there is a deep vein of anti-Black racism that pervades all aspects of the discussion on redistricting. However, seemingly no group was spared their bile with comments that were anti Semitic, anti Indigenous, homophobic, anti Armenian, and colorist that occurred throughout the entire conversation.

Neighborhood Councilmembers once again call attention to the unusual circumstances in Council District 10. The choice by CM Nury Martinez to appoint Herb Wesson, who was clearly barred from holding the seat by the City charter, exposed the City to liability and disenfranchised the residents of Council District 10 - all in pursuit of her own power. When community members and Councilmembers called out the swift appointment of Heather Hutt as a backroom deal or puzzling they were accused by CM Martinez of not wanting to see a Black woman in power. We know now that this appointment was the result of power brokering whose purpose was to benefit CM Martinez, not the stakeholders of Council District 10. That CM Martinez would wield identity politics to create divisive chaos in Council District 10 to hide her backroom deals is fiducially, morally, and ethically reprehensible. This is not the leadership that Angelenos deserve.

The behavior evidenced by Nury Martinez, Kevin de León, and Gil Cedillo would never be tolerated at the Neighborhood Council level. Neighborhood Council members are required to both adhere to a Code Conduct and take Anti Bias training as part of our service. We believe the City Councilmembers should lead with their behavior rather than becoming a national mockery. The rules around our decorum and training are clear. Equally clear is the double standard that exists for members of the City Council. Were Neighborhood Council members to behave in a similar manner, we would face censure, removal and dismissal by our own board, the Department of Neighborhood Empowerment and the Board of Neighborhood Commissioners. Indeed, elected officials have been removed from Neighborhood Councils for far less egregious violations than what we are sickened to have listened to here.

CM Martinez has also limited public comment at City Hall in a way that has never been seen before and which would never be tolerated by Neighborhood Councils or the Department of Neighborhood Empowerment. She frequently takes the bare minimum of comment allowable under the Brown Act, even when an issue is contentious or important. Her dismissive and contemptuous attitude towards the public has radiated into the Council during her tenure as President, creating an environment where casual racism is accepted without question and systematic racism can flourish. An example of this is when a Black man disrupted the August 10th, 2022 City Council meeting by merely shouting, Councilmember Buscaino flippantly threatened to call DCFS on the man to remove his infant son.

This contempt for public comment also affects Neighborhood Councils. In a Community Impact Statement Townhall earlier this year, Councilmember Martinez promised the Neighborhood Council system a continuation of telephonic comment so that we could share our community impact statements. However, this promise was never fulfilled and in-person comment returned with no notice or consideration for Neighborhood Council volunteers. We believe this choice speaks deeply to the contempt that Councilmember Martinez has for the public as evidenced by her shocking statements.

The Reseda Neighborhood Council also believes that many of these conversations may also be evidence of violations of the Brown Act. Both redistricting and the Council District 10 appointment were matters that were agendized in Council, but it is clear that these decisions were being made prior to open and observable Council meetings. Given that it has been reported that there is over an hour of disgusting rhetoric, Neighborhood Councils therefore wonder what other topics may have been discussed not only that day, but in any other secret meetings.

In 2022, we don't expect to hear explicit recordings of literal, systemic racism, recordings of the leaders of City Hall participating in racist, anti-black rhetoric while discussing gerrymandering on the basis of race and socioeconomic status and backroom deals to keep themselves in power.

To Councilpersons de León, and Cedillo, resign immediately so the city can begin healing.

To Councilpersons Blumenfield, Bonin, Buscaino, Harris Dawson, Hutt, Krekorian, Koretz, Lee, O'Farrell, Price, Raman, and Rodriguez we call on you to immediately agendize a censure motion for councilpersons de León, and Cedillo and to strip them of as many committees as legally possible and all chair and vice chair positions.
