The East Hollywood Neighborhood Council calls on Councilmembers Kevin de León and Gil Cedillo to immediately resign from the Los Angeles City Council, and retroactively supports all calls for the now accepted resignation of former Councilmember Nury Martinez. As widely reported by the [LA Times](#) and [Knock LA](#), all three councilmembers engaged in a recorded conversation that disparaged and disrespected Councilmember Mike Bonin and his family, other City Councilmembers, the Black community, the redistricting process, and Angelenos everywhere. These three councilmembers should take ownership of their vile and inexcusable actions and immediately resign. While resignation will not begin to repair the damage that has been done to our City, it is the first step in showing true accountability. Los Angeles cannot begin to heal while these three remain in power.

In the event that all three councilmembers fail to resign, we believe the City Council itself has a duty to act. The City Council must agendize an immediate censure of Councilmembers de León and Cedillo, if they fail to resign. Neighborhood council leaders expect a unanimous vote on these censures. Anything less is tantamount to an endorsement of anti-Black racism, violence against children, gerrymandering, and power brokering in backroom deals, in violation of the Brown Act.

Make no mistake, the current situation is not merely a matter of some errant words spoken in frustration and taken out of context. The portions of the recording already released are evidence of intentional violation of the law during the redistricting process. Specifically, Section 5 of the Voting Rights Acts requires that redistricting changes can be proven to not have a discriminatory purpose or effect. In the recording released and commented on by the LA Times, we see clear evidence of an overt discriminatory purpose in redistricting proposals which were subsequently adopted. This opens up the

city to liability and makes urgent the need for a truly independent redistricting commission. We also believe that the City Council desperately needs expansion. We are the most underrepresented City Council in the entire nation with a constituent to representative ratio of 260,000 to 1. This concentration of power in too few hands drives the corruption we are seeing on display.

There were multiple examples of discrimination on display that day. Councilmember de León compared Councilmember Bonin's adopted Black child to a luxury handbag. Councilmember Martinez disparaged the Indigenous Oaxacan community in Koreatown saying "I see a lot of little short dark people," employing stereotypes long used against Oaxacans in Mexico and in the United States. "I was like, I don't know where these people are from, I don't know what village they came [from], how they got here," Martinez said, before adding "Tan feos" - (They're so ugly). Councilmember Martinez called Councilmember Bonin's son a "changito - (little monkey)" and expressed that "this kid needs a beat down" regarding his excitement at participating in an MLK Day parade. Throughout the released recordings, there is a deep vein of anti-Black racism that pervades all aspects of the discussion on redistricting.

Neighborhood Councilmembers once again call attention to the unusual circumstances in Council District 10. The choice by CM Nury Martinez to appoint Herb Wesson, who was clearly barred from holding the seat by the City charter, exposed the City to liability and disenfranchised the residents of Council District 10 - all in pursuit of her own power. When community members and Councilmembers called into question the swift appointment of Heather Hutt, they were accused by CM Martinez of not wanting to see a Black woman in power. From these recordings, we know now that this appointment was the result of power brokering, whose purpose was to benefit CM Martinez, not the stakeholders of Council District 10. That CM Martinez would wield identity politics to create divisive chaos in Council District 10 and to hide her backroom deals is fiducially, morally, and ethically reprehensible. This is not the leadership that Angelenos deserve.

The behavior evidenced by Nury Martinez, Kevin de León, and Gil Cedillo would never be tolerated at the Neighborhood Council level. Neighborhood Council members are required to both adhere to a Code of Conduct and take Anti Bias training as part of our service. The rules around our decorum and training are clear. Equally clear is the double standard that exists for members of the City Council. Were Neighborhood Council members to behave in a similar manner, we would face censure, removal and dismissal by our own board, the Department of Neighborhood Empowerment and the Board of Neighborhood Commissioners. Indeed, elected officials have been removed from Neighborhood Councils for far less egregious violations than what we are sickened to have listened to in this instance.

CM Martinez has also limited public comment at City Hall in an unprecedented way, which would never be tolerated by Neighborhood Councils or the Department of

Neighborhood Empowerment. She frequently takes the bare minimum of comment allowable under the Brown Act, even when an issue is contentious or important. Her dismissive and contemptuous attitude towards the public has radiated into the Council during her tenure as President, creating an environment where casual racism is accepted without question and systematic racism can flourish.

This contempt for public comment also affects Neighborhood Councils. In a Community Impact Statement Townhall earlier this year, Councilmember Martinez promised the Neighborhood Council system a continuation of telephonic comment so that we could share our community impact statements. However, this promise was never fulfilled and in-person comment returned with no notice or consideration for Neighborhood Council volunteers. We believe this choice speaks deeply to the contempt that Councilmember Martinez has for the public as evidenced by her shocking statements.

The East Hollywood Neighborhood Council also believes that many of these conversations may be evidence of violations of the Brown Act. Both redistricting and the Council District 10 appointment were matters that were agendized in Council, but it is clear that these decisions were being made prior to open and observable Council meetings. Given that it has been reported that there is over an hour of this disgusting rhetoric on tape, Neighborhood Councils therefore wonder what other topics may have been discussed not only that day, but in any other secret meetings.

In 2022, we don't expect to hear explicit recordings of literal, systemic racism, recordings of the leaders of City Hall participating in racist, anti-Black rhetoric while discussing gerrymandering on the basis of race and socioeconomic status and backroom deals to keep themselves in power. We expect, and demand that our elected representatives do better than this.

To Councilpersons de León and Cedillo, resign immediately so the city can begin healing.

To Councilpersons O'Farrell, Raman, Krekorian, Blumenfield, Koretz, Rodriguez, Harris-Dawson, Price, Hutt, Bonin, Lee, and Buscaino, we call on you to immediately agendize a censure motion for councilpersons Martinez, de León, and Cedillo.
