Summary: Resolved: The Tarzana Neighborhood Council (TNC) Board approves the Executive Committee's recommendation that the TNC submit a Community Impact Statement in support of Council File 22-1241 wherein the City Council passed a resolution subject to the concurrence of the mayor adopting the International Holocaust Remembrance Alliance (IHRA) definition of antisemitism. The resolution recites that the non-legally binding IHRA definition has been adopted by 37 United Nations member countries, including the United States, and 320 nonfederal government entities, including 22 States within the U.S. and several cities. The resolution also recites that the IHRA definition of antisemitism serves as an important tool for law enforcement, public officials, and community members to help identify, measure, monitor, and ultimately combat antisemitism.
