Summary: Resolved: The TNC Board adopts the Executive Committee's motion to approve the Neighborhood Council Emergency Preparedness motion to file a CIS regarding Council File (CF) 22-1258 (Controller's report regarding the Emergency Management Dept) as follows: The city's Resiliency Plan tasked NCs with producing emergency preparedness plans for their communities. So far, the city has offered little or no help, financial or otherwise, for these projects. The Neighborhood Council Emergency Preparedness Alliance believes that help with these projects could be forthcoming if the city's Emergency Management Dept. were properly funded and staffed. The Tarzana Neighborhood Council views with concern the historic underfunding of the Emergency Management Dept and calls on the city of Los Angeles to fund EMD adequately. The Peer City Emergency Preparedness Programs Budget Comparison (FY2021-22) on page 7 of the Controller's Report shows the funding disparity between Los Angeles and other comparable jurisdictions.
