

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: August 21, 2025

CAO File No. 0220-06083-0042
Council File No. 22-1545
Council District: All Districts

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Homelessness Emergency Account

Subject: **HOMELESSNESS EMERGENCY ACCOUNT - GENERAL CITY
PURPOSES FUND TWENTY-NINTH STATUS REPORT (C.F 22-1545)
AS OF JUNE 30, 2025, AND FUNDING RECOMMENDATIONS**

SUMMARY

On January 18, 2023, the City Council and Mayor approved the motion (C.F. 23-0033) to establish the Homelessness Emergency Account (HEA) to address the City's homelessness crisis. As part of the FY 2023-24 budget, approved funding for the Inside Safe Program was divided into two separate accounts: the HEA and the Inside Safe Reserve Account. Regular reporting, with expanded reporting requirements, is required to authorize spending from the HEA, as approved during the FY 2024-25 budget, and is necessary to transfer funds from the Inside Safe Reserve Account to the HEA. This is the Twenty-Ninth status report.

This report recommends that the General Services Department (GSD) be authorized to amend one previously approved long-term occupancy agreement to include one additional room for a total room count of 28 at a motel located in Council District 14.

RECOMMENDATION

That the City Council, subject to approval by the Mayor:

1. AUTHORIZE the General Services Department (GSD) or their designee, to amend the existing agreement for the motel listed in "Table A1: Proposed Occupancy Agreement Unit Increase" for a proposed contract term beginning September 1, 2025, through August 31, 2027;
2. AUTHORIZE the Office of the City Administrative Officer (CAO) to:
 - a. Prepare Controller instructions or make necessary technical adjustments,

including to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions; and

- b. Prepare any additional Controller instructions to reimburse City Departments for their accrued labor, material or permit costs related to projects in this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions.

BACKGROUND

On January 18, 2023, the City Council and Mayor approved the motion (C.F. 23-0033) to establish the Homelessness Emergency Account (HEA) to address the City's homelessness crisis and approved the transfer of \$23,462,698.25 from the COVID-19 Emergency Response account and \$26,537,301.75 from the Additional Homeless Services - General City Purposes account for a total of \$50,000,000. The City Council and Mayor also authorized the City Administrative Officer to spend the funds as directed by the Mayor, and to provide reports to Council on the expenses incurred and purposes for which the funds were used.

During the annual budget process for FY 2023-24, the Council and Mayor approved a \$1.3 billion budget for homeless-related expenditures, of which \$250 million in funding was allocated to continue implementation of the Inside Safe Initiative. An initial allocation of \$65.7 million was appropriated at the beginning of the fiscal year to the HEA with the remaining balance appropriated to the Inside Safe Reserve Fund account. If the available uncommitted balance in the HEA dropped below \$25 million during the fiscal year, the CAO was instructed to provide a memo to the Mayor, Council, and Controller requesting the Controller to effectuate a transfer within 10 calendar days of receipt. A transfer of \$25 million from the Inside Safe Reserve Fund account would be completed until the \$184.3 million had been allocated to the HEA. The Council could change this transfer instruction with a majority vote, subject to the Mayor's veto. Regular reporting was required to continue the automatic transfer of funds from the Inside Safe Reserve Fund account for FY 2023-24, which was completed.

On January 25, 2024, a motion (Blumenfield/Raman, Krekorian/Rodriguez) was approved by Council and Mayor to amend the budget instructions to direct that the CAO provide written notification to the Mayor, Council and Controller any time the balance of the Homelessness Emergency Account was anticipated to be reduced to below \$25 million. The CAO would provide notice 14 days prior to the request to the Controller to effectuate the transfer. The Council was able to change this transfer instruction with a simple majority vote, subject to the Mayor's veto. Three such transfers were completed in FY 2023-24.

During the annual budget process for FY 2024-25, the Council and Mayor approved \$80 million in new funding to the Inside Safe Reserve Fund account and the reappropriation of unencumbered balance remaining in the HEA and Inside Safe Reserve Fund account to continue implementation of the Inside Safe Initiative. The reappropriation of \$112.5 million of FY 2023-24 funding was completed in October 2024, and included \$3.2 million in the HEA and \$109.3 million in the Inside Safe Reserve. The City Council and Mayor also authorized the City Administrative Officer to spend the funds as directed by the Mayor, pursuant to monthly expenditure reports and funding allocations to be approved by Council. This new report format is to be inclusive of the requested data from the adopted budget instructions. The FY 2024-25 controlling fund language replaces the language in the 2023-24 Adopted Budget and its related amendment. This Office continues to release regular reports as directed by the budget instructions.

On April 3, 2025, Mayor and Council approved amendments to the Twenty-Third HEA Report (C.F. 22-1545-S26) to include additional information regarding occupancy agreement vacancy data, efficiencies, and plans to meet Alliance obligations in future reports. As appropriate, this information has been incorporated in subsequent sections of this report.

DISCUSSION

Between July 1, 2024, and June 30, 2025, a total of \$141,858,642 has been expended from the Homelessness Emergency Account. Of this amount, \$105,088,952 was expended for FY 2024-25 costs in the following categories: \$59,082,764 in Service Provider Support Services, \$36,169,435 in motel invoices, \$1,789,225 in operating expenses, and \$8,047,528 in departmental costs. The remaining amount of \$36,769,690 is related to FY 2023-24 expenditures (\$36,761,022) in the following categories: \$28,135,724 in Service Provider Support Services, \$8,486,119 in hotel and motel invoices, \$121,245 in facility expenses, and \$17,934 in departmental costs, as well as FY 2022-23 hotel and motel invoice that was reissued for \$8,668. Service Provider Support Services costs encompass case management, resident monitoring, food, storage, and administration associated with clients staying in nightly hotels and the Mayfair Hotel. The total change in expenditures is detailed below. Additional details can also be found in Attachment 1, Table 3: Detailed Current Year Expenditures.

Transfers from the Inside Safe Reserve Account

Due to the controlling fund language for FY 2024-25, transfers require Council approval prior to moving funds from the Inside Safe Reserve. In adherence with the FY 2024-25 budget instructions, Council and Mayor have approved a total of \$152,227,141 in transfers, which has been fully transferred to the Homelessness Emergency Account.

No transfers are requested at this time.

Inside Safe - Program, Encampment Resolution, and Metrics

On December 21, 2022, the Mayor issued Executive Directive No. 2, launching the Inside Safe Initiative with the aim of rapidly moving people living in encampments indoors and connecting them with services and housing. The Mayor's Office works with different departments during each Inside Safe operation, depending on the needs of the particular encampment, including but not limited to: Department of Sanitation (LASAN), Transportation (LADOT), the Police Department (LAPD), and Animal Services. The Mayor's Office Inside Safe Field Intervention Team (FIT) provides community engagement through virtual town hall-style meetings, connects with service providers, and after an operation, monitors the original location for repopulation and engages with Inside Safe participants.

The Mayor's Office reports (Attachment 6) that a variety of reasons can affect Inside Safe operations, such as council district priorities, voluntary participation, encampment-specific needs (e.g., RVs, number of residents, size of encampment, safety/hazard issues, multiple jurisdictions), availability of interim housing, service provider capacity, and processing delays in contracting and/or payment.

Between January 1, 2025, and June 30, 2025, FIT has assessed 75 of the 75 encampment priorities submitted by Council Offices. The Mayor's Office reports that since the beginning of the fiscal year through June 30, 2025, 49 operations and 130 response efforts were completed. Per the Mayor's Office, Inside Safe operations and monitoring for repopulation of previously resolved encampments occurs simultaneously. People who are voluntarily brought indoors through operations or response efforts to address repopulation can only be done when there is available housing that is either brought online or backfilling Inside Safe slots that are available as a result of participants moving through the continuum into permanent housing or exiting the program for other reasons.

For the fourth quarter of FY 2024-25, the Mayor's Office had projected to conduct 19 new encampment resolutions and encampment response efforts. A breakdown of the projected operations by region can be found in Attachment 6 along with actual operation and response efforts.

Regular reporting on the outcomes achieved through the use of funds related to housing individuals is required and is included in this report. The Los Angeles Homeless Services Authority (LAHSA) has developed a data module within the Homelessness

Management Information System (HMIS) to track key metrics for Inside Safe. Attachment 4 includes summaries of Inside Safe outcomes and breakdowns by race and ethnicity prepared by LAHSA, as well as additional breakdowns of the participant status by Council Districts and other pertinent metrics. The LAHSA dashboards, which were previously demonstrated to Committee members, include all City and County efforts along with Inside Safe data. Since the beginning of the program, a total of 105 Inside Safe encampment operations have been completed. This report includes data from one new encampment operation and nine response efforts that occurred in June 2025.

Per Attachment 4, LAHSA's HMIS dashboard reports a total of 4,820 individuals voluntarily accepted to move into interim housing and were connected to services, of which 1,144 Inside Safe participants moved into permanent housing since the beginning of the program through June 30, 2025. This reflects an increase of 108 and 6, respectively, since the last report. This data includes all occupants residing at the Mayfair Hotel and operations that have been carried out to address repopulation of encampments. The current housing retention rate of the program is estimated to be 59 percent. These numbers may change as LAHSA continues to work on further reconciling service provider data with HMIS entries to resolve duplicate placements and other discrepancies as well as refining the Inside Safe data module.

The Mayor's Office also reports that as of June 30, 2025, they have held 32 town hall-style meetings to provide local neighbors, stakeholders and businesses with information and support around encampments. Attachment 6 provides additional information.

As a part of the FY 2024-25 budget instructions, Attachment 3 includes a matrix summarizing the information associated with specific operations, including the number of operations and where they were located, the number of participants placed in interim housing and hotels, where participants exited to, the cost associated with each operation, the nightly room rate for each location, and the cost of service per individual. In prior fiscal years, service provider budgets were approved on a per-encampment, by service provider basis. Effective FY 2024-25, service provider budgets are approved based on slots associated with motels. LAHSA has reported that it is unable to provide encampment-based budget information or updated encampment-based actuals for service provider costs per person per day. However, the demographic information is updated on a monthly basis.

Joint City-County Inside Safe Reimbursements

On June 15, 2023, Council and Mayor approved a motion (C.F. 23-0612) authorizing the

Mayor's Office to enter into an agreement (Contract #AO-23-603) and accept up to \$130,200 from the County for a joint Inside Safe operation in Council District 12. Additionally, on October 24, 2023, Council and Mayor approved a motion (C.F. 23-0612-S1) authorizing an increase of \$1,599,800 from the County, and to amend the existing agreement to support another joint operation in Council Districts 5 and 11 as well as similar future operations. On October 24, 2023, the City and the County amended the existing agreement for the City to accept up to funding in the amount of \$1,860,000 to reimburse Inside Safe motel costs of the encampment residents on County land in joint City-County efforts in which County teams and departments participated in. County residents in these operations were identified and engaged by County staff while sanitation efforts on County property were completed by the County Department of Public Works. The Council and Mayor approved the Eighteenth HEA Status Report (C.F. 22-1545-S21) which requested authority to add an additional \$130,000 to total the current reimbursement agreement between the City and the County.

On September 4, 2024, Los Angeles County proposed a second amendment to the existing agreement to revise the statement of work and increase the reimbursement amount by an additional \$4,300,400, for a new total agreement sum of \$6,160,400. The Twentieth HEA Status Report (C.F. 22-1545-S23) requested the approval of this additional amount and authority to deposit the funds into the Inside Safe Reserve upon receipt of the reimbursement. This agreement, unless renewed, is expected to end on January 9, 2026.

The City has submitted four invoices to the County for a total reimbursement of \$2,410,220. The first invoice (\$926,409) covers costs incurred from June 13, 2023 to April 1, 2024. The second invoice (\$140,010) covers costs incurred from April 1, 2024 to May 1, 2024. The third invoice (\$793,580.63) covers costs incurred from May 1, 2024 to January 1, 2025. The fourth invoice (\$550,220.00) covers costs incurred from January 3, 2025 to April 1, 2025. To date, the City has received reimbursement for all four invoices. A total of \$1,860,000 has been appropriated into the Inside Safe Emergency Account for fiscal year 2024-25 and the fourth reimbursement of \$550,220 is anticipated to be appropriated into the Inside Safe Reserve Account for fiscal year 2025-26.

Inside Safe Motel/Hotel Invoicing and Contracting

Beginning February 1, 2025, the Mayor's Office implemented a new invoicing process in an effort to further streamline motel invoicing. Motel owners are expected to submit their invoices twice a month to the on-site service providers for verification of Inside Safe participants. Once verified, the approved invoice will then be forwarded to the CAO for review. Previously, motel owners were forwarding their unverified invoices to the CAO, who would then coordinate the verification of invoices with on-site service providers.

Although this will delay immediate receipt of motel invoices by the City, the new process is expected to expedite invoice verifications by further standardizing billing periods and minimize discrepancies.

All Inside Safe motels have a contract in place so payments no longer need the City Attorney's approval, which is necessary if a contract is not executed and an invoice exceeds a specific amount. The Mayor's Office and the General Services Department (GSD) are the leads for executing agreements and exercising options to extend with the City Clerk's Office completing the entries into the City's Financial Management System (FMS). Finally, the Controller's Office remits payment to the motel owners. The CAO continues to utilize its internal approval system to help streamline submissions for payment approval and processing.

The two types of contractual motel leasing agreements are booking and occupancy. A booking agreement confirms a fixed nightly rate, but motel rooms used may fluctuate based on the number of participants at a location and room availability. An occupancy agreement includes a fixed nightly rate as well as a guaranteed number of rooms, regardless if they are filled or not. As of June 30, 2025, there are 26 executed booking agreements with motels, of which two are in the process of transitioning to long-term occupancy agreements.

As of June 30, 2025, there are currently 16 executed occupancy agreements that represent a 627 room capacity, of which 11 are long-term occupancy agreements with 412 room capacity. Approval was granted in the Twenty-Seventh HEA Status Report to amend one previously approved long-term occupancy agreement in CD 14 to include two additional rooms. This report requests approval to amend the aforementioned long-term occupancy agreement to include one additional room as outlined in Table A1 below.

Table A1: Proposed Occupancy Agreement Unit Increase							
CD	# of Rooms (Current)	Additional Rooms	# of Rooms (Proposed Total)	Proposed Term	Rate	FY 2025-26 Additional Leasing Costs	Total Projected Additional Costs
14	27	1	28	09/01/2025 - 8/31/2027	\$76.32 plus TOT (\$87 inclusive of TOT)	\$26,361.00	\$63,510.00

Nightly costs range from \$89 to \$171 per night, with two service provider 2-bedroom office rooms costing \$251 per night. The terms of the occupancy agreements range from one to three years, with up to two one-year extension options. The total leasing costs for the 16 executed occupancy agreements, inclusive of 11 long-term and 5 short-term contracts, is estimated to be \$88,237,305. If all extension options are executed, there would be an additional projected cost of \$14,436,825 for a total cost of \$102,674,130. In November 2024, 14 rooms were taken offline due to fire damage. The City is not financially responsible for offline rooms, and any resulting savings will be reflected in a future report once the rooms are online again. This Office is working with LAHSA and the Mayor's Office to reconcile vacancy information to be included in a future report.

For FY 2024-25, a budget of \$57.6 million has been identified to fund the motel interim housing portfolio for Inside Safe, of which \$59,242,769 has been either encumbered previously (\$20,556,118) or transferred from the Inside Safe Reserve (\$38,686,651). A list of FY 2024-25 transfers is included in Attachment 1.

As of June 30, 2025, motel leasing invoices received to date include 3,536 invoices from 58 out of 59 individual hotels, totaling 765,783 hotel room nights since the beginning of the program. One of the motels with an executed booking agreement contract was never occupied. The current number of interim housing hotel rooms available based on invoices received for booking agreements and occupancy agreements through June 30, 2025, is 1,243 rooms, which is inclusive of rooms for service providers' offices and security. It does not account for two or more occupants sharing a room. A total of 16 hotels have been demobilized and are no longer in use since the beginning of the program. Per LAHSA, there are currently 1,275 people residing in hotels (Attachment 4). The total amount billed for nightly room stays for FY 2024-25, through the cut off date of this report, is \$44,205,975 with an average nightly rate of \$120.31.

Occupancy agreements are meant to provide stable units in high-need areas to support Inside Safe operations, including multi-district regional operations. The Mayor's Office works with service providers and motel owners to ensure that rooms are consistently filled and closely monitored to minimize room vacancies. Additionally, the Mayor's Office continues to renegotiate select booking and occupancy agreements to reduce costs and is evaluating the Inside Safe motel interim housing portfolio to determine which contracts are feasible and economically desirable to extend past June 2027. It is the intention to have properties eligible so that the City can receive reimbursement for service costs at these motels on a go forward basis per the Memorandum of Understanding between the County of Los Angeles and the City of Los Angeles relative to the Alliance Settlement Agreement. Once the property is included on the Alliance quarterly report to the court, they can become eligible for reimbursement. Contracts with

cumulative terms (i.e. original term and options to extend) that exceed 3 years will be submitted to Council for approval, as outlined in Charter Section 10.5 Limitation and Power to make Contracts.

The Mayor's Office is also coordinating the opening of an additional 516 interim housing beds that are funded by the State's Emergency Stabilization Beds grant. As these beds become available, the Mayor's Office will transition Inside Safe participants from hotels to these newly established beds.

The Inside Safe Motel Interim Housing portfolio includes agreements that have been extended past June 2027 and agreements that are in the process of being renegotiated. Table A2 below summarizes the agreements that have been approved for extensions past June 2027. It includes the status of the contract as well as the terms.

Details of the associated financial impacts of hotels that have been approved to extend beyond June 2027 can be seen in Attachment 5. Calculations are based on estimated execution dates and may be updated in future reports as contracts are finalized.

Table A3 summarizes Inside Safe Motel Contracts by contract and extension type. This considers amendments that are in progress.

Table A2: Occupancy Agreements Through June 2027 ¹

Operating / Facility Expenses

Facility expenses include costs for property improvements, repairs/damages, valuation reports, and insurance. Incurred expenses since the beginning of the program total \$2,339,207. This includes payment of recent damage claims associated with the LA Grand (\$1,550,738) and the initial insurance policy for Mayfair (\$82,795). Further detail is included in the sections below. A total of \$550,000 has been approved for transfer into the HEA for FY 2024-25 projected repairs/damages costs for the Interim Housing Motel Portfolio, including \$150,000 for an insurance adjuster contract (Seventeenth HEA Report), and \$300,000 for facility damages. Three separate transfers were

approved for damages: \$100,000 in the Seventeenth HEA Status Report, \$200,000 in the Nineteenth HEA Status Report, and \$100,000 in the Twenty-Sixth HEA Status Report. To date, the City has received a total of 403 damage claims for hotels of which a total of five have been denied and 34 have been paid. If any of the reviewed claims were expected to be fraudulent, they were forwarded to the City Attorney. Damage claims from motels previously followed a process similar to the one established for Project Roomkey: the owner (or representative) submits a form that includes pertinent information such as the date of the incident, what was damaged, and requires the on-site service provider's signature. A quote for the repair and pictures are also required.

The Mayor's Office, with assistance from CAO Risk Management, executed a contract with a Third Party Administrator on March 25, 2025. The remaining claims are in the process of being assessed by the contractor while a competitive process can be completed. The contractor will ensure timely processing and has the expertise to ensure that the City pays costs that are fairly and accurately assessed per its contractual obligations for Inside Safe participating properties. For FY 2024-25, the Mayor's Office is forecasting a total budget amount of \$3 million for damage claims related to the Inside Safe motel interim housing portfolio, which is based on approximately 5 percent of the portfolio. This estimate is updated from previous reports.

LA Grand Hotel

On February 24, 2023, the CAO released the Revised Sixteenth Roadmap Report (C.F. 20-0841-S31), which authorized the extension of the LA Grand Hotel lease from February 1, 2023, through February 1, 2024, for use as interim housing. Subsequently, on December 1, 2023, the CAO released the Twenty-First Roadmap Report (C.F. 20-0841-S40), which authorized the extension of the LA Grand lease from February 1, 2024, through July 31, 2024. This secondary lease extension allowed for a seamless transition for those participants that were relocated from the Grand to the Mayfair once GSD completed the initial move-in phases (Phase 0, Phase 1A and Phase 1B) of the Mayfair renovation plans, as approved by Council and Mayor (C.F. 23-0792). Additional information regarding the Mayfair's renovation phases is provided in this report's next section entitled, "Mayfair Hotel." As instructed, LAHSA provided regular reporting to Council and Mayor on the demobilization plan that ensured all residents continued on their housing solution path (C.F. 20-0841-S44). This included nine reports for the time period of February 7, 2024, through June 28, 2024. LAHSA reported that 452 participants exited the program. Of this total, 44 individuals were categorized as "Self Discharge," which is defined by LAHSA as an absence of 72 hours or more. An additional 22 participants exited to "Other" destinations, a category defined by LAHSA to include unknown destinations, or due to non-compliance, etc.

The lease covered a total of 481 rooms with a rate of \$154/night, which included meals. As of June 12, 2024, \$32,172,050 was transferred to GSD to support the LA Grand Hotel lease costs. The service provider, Weingart, confirmed that all participants exited the LA Grand Hotel by June 28, 2024. A termination letter was sent by GSD ending the agreement on July 18, 2024, instead of the original term end date of July 31, 2024. Reconciliation and savings will be provided in future reports. A previous report earmarked a total of \$2,636,379 from prior year monies for anticipated FY 2024-25 costs, which included \$1,595,787 for leasing and \$1,040,592 for service provider costs (see Attachment 2, Table C); however, due to the timing of the demobilization, these funds were not fully exhausted. As a result, these unspent funds are to be reallocated for damages related to glass repair and replacement at the LA Grand. The Mayor's Office has identified a \$5 million budget in anticipation of any claims pending assessment by the General Services Department (GSD). In fiscal year 2024-25, a total of \$1,550,739 has been transferred to GSD for damage claims related to the LA Grand.

Mayfair Hotel

On August 18, 2023, Council approved the acquisition and rehabilitation of the Mayfair Hotel for use as interim housing for Inside Safe. The site, which opened and started accepting clients on May 1, 2024, has 294 rooms with a three-level 183 parking space garage and is located in Council District 1. It was previously used as a part of Project RoomKey (PRK). According to Weingart, as of June 30, 2025, Mayfair was at approximately 82 percent occupancy with 241 rooms and 255 participants. LAHSA has updated their data to separate out Mayfair Hotel occupancy information in their Inside Safe Program metric dashboards (Attachment 4). This information is based on LAHSA's final run date and may not match to data provided prior to this report's cut off date. Information on the acquisition and associated costs are included in the Twenty-First HEA Report and other prior reports.

In a Municipal Facilities Committee Report released on January 29, 2024 (C.F. 23-0792-S2), GSD provided supplemental information regarding the rehabilitation of the Mayfair Hotel. Renovation will be done in multiple phases. Phase 1, which was completed prior to initial move-in (Phase 0, Phase 1A, and Phase 1B), included major construction for the renovation of 294 rooms, case management spaces, intake area build-out medical services area, and other code compliance items. Phase 2 will include seismic strengthening, elevator modernization, façade repair, and roof repair, and is expected to take between 12 to 18 months to complete. It was previously anticipated to begin in January 2025; however, a new project timeline is being developed and will be provided in a future report. The Twelfth HEA Status Report (C.F. 22-1545-S15) noted that \$8,942,270 in additional costs are needed to complete the Phase 2 rehabilitation of the Mayfair, of which \$5,793,470 will be supported by the HEA and was transferred to the Bureau of Engineering (BOE) on June 12, 2024. Additionally, GSD submitted a

transfer request for HACLA's second year of Mayfair operations costs, which includes utilities, facility management, and other associated expenses for building upkeep (\$5,067,000); the transfer was completed on June 25, 2024. Updates regarding the Mayfair renovation and day-to-day repairs will be included in a future report.

The CAO Risk Management Group previously paid for the Mayfair's property insurance policy with the term date of March 27, 2024 through March 27, 2025 in the amount of \$82,795.38. The policy was executed at the direction of the Mayor's Office and at the request of the City Council. Funding to reimburse the Risk Management Group was requested in the Seventeenth Status Report (C.F. 22-1545-S20) and the transfer was completed on October 30, 2024. A transfer of \$88,859.03 to renew the insurance policy for the term of March 27, 2025 to March 27, 2026 was approved in the Twenty-Sixth HEA Status Report and has been completed. The Mayor's Office has identified \$183,000 for FY 2024-25 Mayfair insurance policy costs, which is inclusive of the existing policy and any increases with the renewal on March 27, 2025.

Project HomeKey-3 Match

On June 30, 2023, the City Council and Mayor approved the CAO report relative to the recommendations related to the State of California Department of Housing and Community Development HomeKey Program, Round 3 Report (C.F. 21-0112-S3), which authorized the City to obligate City match and funding for three housing sites to be used as interim housing. Within this report, it is noted that an up to amount of \$31,567,800 of match funding would be used, subject to the approval of the Mayor's Office. A transfer of \$20,471,800 was authorized to the Los Angeles Housing Department (LAHD), as approved by the Mayor's Office, for capital costs associated with the Cheviot Hills - Shelby project. This project is expected to provide 75 interim housing units and one manager's unit. This funding is also leveraged for the Motel 6 - North Hills project, which is expected to provide 110 interim housing units and one manager's unit. An up-to amount of \$11,096,000 for Cheviot Hills - Shelby operating costs, which were earmarked against last year's HEA funding, is expected to be transferred at a later date to be determined by the Mayor's Office. This transfer will then be included in a future report for Council approval.

LAHSA Service Provider Contracts

The Inside Safe initiative relies upon the work of the Los Angeles Homeless Services Authority (LAHSA) and service providers in conducting assessments, providing services which include case management services, housing navigation, street engagement, food programming, and resident monitors. In January 2023, the Mayor's Office approved an initial contract amount for the Los Angeles Homeless Services Authority (LAHSA) in an up-to amount of \$50 million. This initial up-to contract amount allowed the flexibility for

funding to be quickly added for service providers as operations were planned and budgets were approved by the Mayor's Office. Extensions and additional funding for LAHSA and service providers were approved for a total budget of \$93,958,036 for services as of June 30, 2024. This number is updated to include an additional approval prior to June 30, 2024. For FY 2024-25, the Mayor's Office is allocating a total of \$86,096,275 for service providers that are contracted through LAHSA for Inside Safe interim housing services.

Regarding last fiscal year, LAHSA has submitted the all service provider costs through June 30, 2024, and has an estimated savings of approximately \$15 million. The FY 2023-24 budget provides authority for up to \$81,626,973 for service provider reimbursements (including Weingart and previous LA Grand contractors) tied to the Inside Safe initiative, housing navigation and time limited subsidies, as well as LAHSA administrative oversight. The savings associated with prior fiscal year operations are recommended to be reprogrammed to support costs associated with FY 2024-25.

Beginning the second quarter of FY 2023-24, the service provider budget is based on a daily bed rate of up to \$110/person served by the current 10 service providers. To date, 28 supportive services-specific invoices have been submitted to the City for reimbursement and paid from the Homelessness Emergency Account. The Mayor's Office and LAHSA continue to meet regularly to understand the needs associated with Inside Safe specific services and the corresponding finalized Scope of Required Services (SRS). Fourteen new qualified service providers were identified as a result of the procurement LAHSA released that closed November 22, 2023.

For FY 2024-25, an initial up-to contract amount of \$76,940,927 was approved in the Sixteenth HEA Status Report (C.F. 22-1545-S19). The LAHSA Service Provider portion of the contract is projected to serve an estimated 1,500 people experiencing homelessness (PEH) in the motel interim housing portfolio for an up-to contract amount of \$60,225,000. An amendment to the FY 2024-25 contract with LAHSA for Inside Safe services was approved in the Twenty-Fourth HEA Status Report (C.F. 22-1545-S28) to include an administrative fee of \$6,377,460, which was not originally included in the executed agreement. A transfer of \$5,805,690 has been completed based on the approval of the Twenty-Sixth HEA Status Report for Fiscal Year (FY) 2024-25 administrative costs.

The Mayor's Office approved a transition to a slot based budget and payment structure with LAHSA for FY 2024-25 Quarter 1 and Quarter 2. This methodology is expected to enhance room utilization, reduce contract amendments, and improve program oversight. A FY 2024-25 annual budget amount of \$58,056,900 has been approved by the Mayor's Office based on the slot allocation of 1,446 associated with the motel interim housing portfolio. This amount was based on expenditure trends for FY 2024-25,

which is less than the up to 25% annual budget advance policy established by LAHD. Savings from FY 2023-24 costs have been used to pay for supplemental FY 2024-25 first quarter and second quarter invoices.

The Mayor's Office authorized LAHSA to provide 330 time-limited subsidies (\$15,442,292) and 300 housing navigation slots (\$1,273,635) to Inside Safe participants which is in the process of rolling out. Additional information will be provided in future reports.

Weingart provided services at the LA Grand from June 1, 2023, through its demobilization. The total approved amount for LA Grand services was \$15,128,732.

On May 1, 2024, Weingart began providing services at the Mayfair Hotel for occupants transitioning from the LA Grand. The first year budget approved by the Mayor's Office is earmarked against the FY 2023-24 HEA allocation. It includes \$405,366 for ramp up costs and \$11,925,697 for 12 months of services for a total budget amount of \$12,331,063. This reflects an increase of \$293,915 in start-up costs from the previously approved budget. Weingart is anticipated to provide services for two years to coincide with the City and County's joint award from the State's Encampment Resolution Funding Program. Attachment 2 accounts for one year of funding within FY 2023-24 allocation of the HEA. The Mayor's Office is budgeting approximately \$15.9 million for current fiscal year service provider costs, which includes a portion of the second year of the contract that falls within this fiscal year. Funding approval for an additional \$2,083,334 for this fiscal year and contract extension through April 30, 2026, was approved in the Twenty-Fifth HEA Status Report (C.F. 22-1545-S28), with approval to transfer funds included in the Twenty-Seventh HEA Status Report. For FY 2025-26 Mayfair Service Provider costs, authority to execute a new, or amend, the City's existing contract (C-145331) with LAHSA for an up to contract amount of \$9,932,355 was requested in the Twenty-Eighth HEA Status Report.

Funding for 58 congregate beds at the Weingart facility located in Council District 14 was approved in the Seventeenth HEA Status Report along with a \$110 per bed per night for combined bed and services costs. The first year contract amount of \$2,328,700 has been executed, which includes two one-year options to extend. The Mayor's Office has identified a FY 2024-25 budget of \$2,561,570 for this site and associated LAHSA administration. An administrative fee of \$232,870, which was not included in the executed agreement, was approved in the Twenty-Fourth HEA Status Report. Authority to extend funding through September 30, 2025, was approved in the Twenty-Sixth HEA Status Report.

Funding for up to 100 beds at a congregate sprung structure shelter located at 545 S. San Pedro Street in Council District 14 was approved in the Eighteenth HEA Status

Report. The service costs related to this site may be eligible for reimbursement from the County per the Alliance Memorandum of Understanding. A total of \$3,389,000 was approved that includes \$3,014,000 in services costs as well as \$375,000 for furniture, fixtures and equipment costs such as purchasing sleeping modules, including partitions and small cabinets. The contract will be for three years and one day. The total cost of the contract is estimated to be \$12,056,000. There is a potential future impact on the General Fund in the amount of up to \$4,015,000 annually relative to the bed and service costs. For FY 2024-25, the Mayor's Office has identified a budget of \$3,690,400, which is inclusive of service provider costs, funding for fixtures and associated LAHSA administration. An administrative fee of \$338,900, which was not included in the executed agreement, was approved in the Twenty-Fourth HEA Status Report. The Twenty-Sixth HEA Status Report approved a contract amendment to extend funding through June 30, 2026. The site opened in April 2025 with 53 beds.

A total of \$20,000 was approved by the Mayor's Office in FY 2023-24 for the 17 housing fairs, which provided staffing, necessary materials, and Uber rides to clients to visit different housing options. Currently, the County and City co-host Service Connection Days one or two weeks after Inside Safe operations to get people document-ready and provide participants an opportunity to connect with County services directly to initiate additional care. Participating departments include: Department of Motor Vehicles, Housing for Health Mobile Clinics, Department of Mental Health, Department of Public Social Services, Office of Immigrant Affairs and Department of Military and Veterans Affairs.

LAHSA continues to work with providers to ensure all exit data is entered into HMIS and is up to date and has committed to providing reconciled and verifiable exit data for Inside Safe regular reporting.

The Mayor's Office is also coordinating with LAHSA and service providers to address the cost of storing participants' personal items for up to 30 days upon exiting interim housing through implementing storage bins (measuring 10' x 8' x 8' in size) at motel sites, at a cost of approximately \$80 per month. A transfer of \$18,675 was previously requested and approved for the coordination of the delivery, pay the initial delivery cost (\$175), and front fund the first three months; however, this funding is no longer needed as storage is an eligible cost within the Inside Safe SRS and as such it is recommended that service providers absorb these costs within their approved budgets.

As of June 30, 2025, all Inside Safe cash requests that have been submitted to LAHD from LAHSA have been approved by the Mayor's Office and paid. Cash requests are based on either quarterly 25% advances on approved budgets or invoices from actual expenses, and LAHSA continues to work on providing invoices. Once the Mayor's Office has approved payment, the CAO's Office processes Controller's Instructions to transfer

funding from the HEA to LAHD, which in turn pays LAHSA to remit payment to service providers.

City Cash Advance Procedures for LAHSA

On July 19, 2024, LAHD released a memorandum on the City's Cash Advance procedures for LAHSA which summarizes the City's current cash advance process and outlines a modification to align with the cash advance process used by Los Angeles County for LAHSA contracts. LAHD and LAHSA have finalized the process, which is outlined in LAHD inter-departmental memorandum dated April 24, 2025 and included in the Twenty-Sixth HEA Status Report. This advance process now applies to Inside Safe contracts C-140706 and C-145331.

RV Storage Lot

The Mayor's Office had identified a 48,838 square foot Metro-owned lot in CD 9 to function similarly to an Official Police Garage for RV overflow and will be available for citywide use. A transfer of \$150,000 from the Inside Safe Reserve Fund account to the HEA was approved in the Twentieth HEA Status Report (C.F. 22-1545-S23) and will support a lease agreement with Metro from July 2024 through June 2025 at approximately \$3.07 per square foot, per year to support their own homelessness programs. The lease agreement with Metro has been executed and construction began September 16, 2024. The contract term is for three years. Construction was previously delayed due to issues involving soil and ground instability which was discovered when heavy equipment began to sink into the ground. Railroad tracks and buried debris attributed to pockets beneath the surface. In order to stabilize the lot, pits were filled with cement slurry. The Mayor's Office reports that as of February 25, 2025, the site is operational and construction fully completed.

In the fourth Construction Projects Report (CPR) of FY 2022-23 (C.F. 22-0847-S3), a total of \$359,000 was approved for design and site pre-development, which includes \$200,000 of Additional Homeless Service - General City Purpose funds and \$159,000 of Capital and Technology Improvement Expenditure Program (CTIEP) funds. In the FY 2023-24 adopted budget, CTIEP funding in the amount of \$2,393,388 was approved for construction of the site. The total cost of construction approved for this site is \$2,752,388.

The Mayor's Office has identified a \$2.5 million budget for FY 2024-25, of which a portion will cover Metro leasing costs (\$150,000) and the remaining amount is reserved for future expansion of RV storage. The Mayor's Office is currently evaluating sites for the potential expansion of RV storage operations and has identified a 94,500 square-foot Metro-owned lot in Council District 6 as an option. The Bureau of

Engineering (BOE) has conducted a CEQA analysis for the site, which is transmitted under a separate cover. The Mayor and City Council must approve BOE's determinations that these uses are categorically exempt from CEQA. RV storage development costs of \$829,197 have been approved and will be applied towards this site once CEQA is approved. Leasing expenses are anticipated to total \$350,000 per year beginning in Fiscal Year 2025-26. Additional details and updates will be provided in future reports.

City Department Costs

Through June 30, 2025, the Los Angeles Police Department (LAPD) has submitted requests for reimbursements of \$47,528 for costs related to FY 2024-25 overtime hours associated with Inside Safe operations, all of which have been paid. Primarily, LAPD provides support for, and ensures the safety of, City staff and Inside Safe participants. There have been zero arrests during the initial phase of operations. For FY 2024-25, the Mayor's Office is allocating a total of \$90,000 for anticipated LAPD overtime for Inside Safe operations.

In November 2023, the Mayor's Office approved a transfer to LAPD for \$250,000 to support the initial phase of the new Vehicle Recycling Program (VRP) with the provider, SA Recycling. The funding was used to authorize the dismantling and recycling of Recreational Vehicles that had been impounded and were unclaimed, in grave disrepair, or were an environmental hazard. Initial funding allowed Official Police Garages (OPGs) to recycle vehicles awaiting salvage so that space could be created for implementation of the Mayor's Inside Safe initiative to address unsafe and unsanitary vehicle dwellings.

A transfer of \$3,000,000 was approved in the Twenty Fifth HEA Status Report (C.F. 22-1545-S28) to provide contingency funding for interim housing construction projects that are funded by the Emergency Beds Stabilization grant. The Bureau of Engineering will award a contract for construction in June and will begin construction thereafter. The current budgets are based on an architect's estimate of what the project may cost; however, this can change based on actual proposals received. These funds will be used to address any potential increases in bid costs as well as change orders once projects begin. In the Twenty-Fourth HEA, a transfer of \$1.5 million was approved to allow the Bureau of Engineering to hire management consultants related to these Emergency Beds Stabilization projects.

In April of 2024, City Council and the Mayor's Office approved the receipt of up to \$33 million in grant funding from the California Department of Healthcare Services to create Emergency Stabilization Beds (ESBs) to address homelessness in Los Angeles (C.F. 24-0314). This funding is part of the Behavioral Health Continuum Infrastructure Program and will be used for bed procurement, infrastructure, and related costs. Due to

staffing constraints, BOE has requested funding to hire additional assistance in order to meet grant expenditure deadlines.

CAO staff (approximately 6.5 FTE) is tasked with processing invoices (as outlined in this report), monitoring the HEA's balance and commitments, tracking expenditures, and providing monthly reports summarizing expenses incurred and purposes for which the funds were used. Staff is funded by either the Homeless Housing, Assistance and Prevention (HHAP) Grant or by General Funds, with HHAP being the main funding source.

A request for information relating to departmental costs related to Inside Safe operations was noted at a committee meeting in December 2024. Additional information on this topic will be provided in a future report.

FISCAL IMPACT STATEMENT

Approval of the recommendations in this report will not have an immediate impact on the General Fund given that the recommendations use budgeted General Funds.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies.

subtotal		\$0	\$0	\$7,517,452	\$17,934	\$0	\$0	\$7,535,387	\$0	\$0	\$7,535,387	-\$7,535,387
Grand Totals by Column		\$250,000,000	\$65,381,054	\$168,956,681	\$36,761,022	\$12,136,702	\$5,255,798	\$223,110,203	\$92,189,960	\$5,067,000	\$315,300,162	\$203,305
		<i>Total Cash Available for FY 2023-24</i>	<i>\$315,381,054</i>									
		<i>Total Expenditures Paid by June 30, 2024</i>	<i>\$174,023,681</i>									
		<i>Total Expenditures Paid after July 1, 2024</i>	<i>\$36,761,022</i>									
		<i>Funds Encumbered Balance in FY 2023-24 ¹</i>	<i>\$25,670,569</i>									
		<i>FY 2022-23 Reappropriation to FY 2024-25</i>	<i>\$112,483,618</i>									
								<i>FY 2023 - 24 Year End Projected Balance</i>	<i>\$92,270,851</i>	<i>Projected Balance with Future Fiscal Year Obligations</i>	<i>\$80,891.83</i>	

¹ Funds for booking and occupancy agreements were encumbered. Encumbered funds will decrease as expenditures are paid out. Of the encumbered amount, \$18,960,331 is encumbered for FY 2024-25 Costs. See Table C. FY 2024 - 25: Budget Breakdown

² Future Fiscal Years Obligations includes cost projections for Booking Agreements and Service Provider Costs for the first quarter of FY 2024-25.

³ Two new occupancy agreements were executed in late June 2024, one agreement and an amendment to an existing agreement in late July and one agreement in early August. The projected costs are split across the funding allocation for FY 24 (\$122K) and FY25 (8.5M). Additionally two occupancy agreements were demobilized in early August, pending reconciliation. This does not include projected costs for Occupancy Agreement extension options. If extensions options were executed, there would be an additional projected cost of \$23,931,461.

⁴ Projections for the six month renewal through July 31, 2024 reflect LA Grand demobilization and ramp down.

⁵ Service Provider costs reflect actuals reported by LAHSA as of March 15, 2024.

⁶ Updated as reported by the Mayor's Office, pending final budget.

⁷ Multiple funding sources support the PHK3 Matching Funds: \$31,567,800 from HEA, \$15,000,000 from HHAP Round 3, and \$12,940 in HOME-ARP funds. The level of support has been revised based on award letters that have been issued for projects. This funding will provide 185 units of interim housing and two manager units.

⁸ Per the Nondepartmental Footnotes of the adopted FY24 Budget Resolution, \$7.2M was transferred to the Mayor's Office for homelessness and housing support. As reported by the Mayor's Office, an estimated \$4,320,000 will be carried over as part of the Mayor's Fund 100 operating accounts in FY 2024-25.

Uncommitted Funds		FY 2024-25		\$82,136	\$0	\$82,136	\$0	\$0	\$0	\$0	\$0	\$82,136
subtotal			\$0	\$82,136	\$0	\$82,136	\$0	\$0	\$0	\$0	\$0	\$82,136
Budget Categories Grand Totals by Column			\$183,271,515	\$181,342,735	\$163,295,360	\$30,082,484	\$0	\$105,088,924	\$448,875	\$6,839,620	\$0	\$176,924,871

¹ \$112.5 million from FY 2023-24 is pending reappropriation into the FY 2024-25 accounts. Of this amount, \$43.8 million was earmarked for FY 2022-23 & FY 2023-24 Expenses. Details regarding these past fiscal years' expenses can be found on Table A and Table B.

² Two occupancy agreements were executed in late June 2024, one agreement and an amendment to an existing agreement in late July and one agreement in early August. The projected costs are split across the funding allocation for FY 24 (\$122K) and FY25 (8.5M). Additionally two occupancy agreements were demolished in early August, pending reconciliation. This does not include projected costs for Occupancy Agreement extension options. If extensions options were executed, there would be an additional projected cost of \$23,931,461.

³ The Emergency Stabilization Beds State Grant are deposited in a separate account and not in the HEA or Inside Safe Reserve. Funding allocation and approvals relating to this grant is provided in separate reports.

^a Previously identified as Insurance Adjuster.

* Indicates transfers and/or budget for Q1 only. Additional allocations to be identified in a future report.

¹ Information as of December 31, 2024. Pending additional details from Mayor's Office and LAHSA to be provided in subsequent reports.

² Encampment operations placements and current status based on LAHSA reporting and may include duplicates.

³ Updated based on LAHSA reporting dated July 16, 2024. This may not include all actuals to date. Pending updated costs from LAHSA.

⁴ The City was not directly billed for nightly hotels for these participants.

⁵ Some hotels used were not billed directly to the City. Including nightly rate for directly billed hotel.

⁶ In prior fiscal years, service provider budgets were approved on a per-encampment, by service provider basis. Effective FY 2024-25, service provider budgets are approved based on slots at motels. We are currently working with LAHSA to breakdown the slot-based budget to encampments. Updates will be provided in future reports. Funding for unallocated encampments and slots was approved to support operations that come online while the specific encampment operation budget is pending.

⁷ Per the Mayor's Office, the participant associated with this repopulation operation was housed inside LAFH's building.

⁸ Per the Mayor's Office, the participant associated with this repopulation operation was listed on a by name list, but was not available when the team returned to process housing placements.

⁹ This table is pending information. The data will be updated in a future report.

Individuals included in report: Includes clients who were engaged on the day of the encampment resolution and in repopulations efforts. Inside Safe also includes clients who were living in other ad hoc encampments throughout the city since January 2023 and clients that were living in the LA Grand on Feb 1, 2023, when transition from a PRK site. It also include clients in the ERF LA Grand Program. The nonspecific encampment-based clients comprise 1,072 individuals.

Housing Retention: The percentage is calculated by dividing the sum of people who are Currently Permanently Housed and Currently in Interim Housing by the number of people who entered Interim Housing. This figure excludes clients that have passed away as they did not voluntarily exit the programs.

Returned to Homelessness- Working with Providers: This includes clients who have left interim or permanent housing, but who are currently still engaging with outreach and housing programs.

Returned to Homelessness: Clients who have left the program and are not active in any other homeless services program in HMIS.

Data Quality:

The report includes only data that providers have entered into HMIS. Providers have up to 72 hours after an interaction with, or a change in status of, a client to make a record in HMIS. Due to the dynamic nature of the program and its participants, this process may take longer than 72 hours. There may also be additional activities that have yet to be captured in HMIS. LAHSA and service providers strive for complete, accurate, and timely data in HMIS. The Data Management team at LAHSA is actively collaborating with providers to resolve any data discrepancies.

Entered Interim Housing: Includes only clients who entered interim housing. This cohort is the basis for all reporting.

Percentage Permanently Housed: Calculated from all clients who entered interim housing who have not exited from program.

Duplicative Clients: As a note there have been 246 clients who have been involved in more than one resolution. They are deduplicated in the total count.

Demographics: Blanks in demographics (race, age, gender, etc.) are not calculated in these data sets (and the main topline), and people who self-report multiple races/ethnicities are double-counted in the race categories, but the grand totals are deduplicated numbers.

¹ These estimates include the initial contract term only. Some agreements include optional extension(s).

² The costs associated with these sites are estimates, pending actual execution dates. These costs may be updated in a future report.

³ The estimates for these sites have been updated per final contract terms, including term start dates.

⁴ Projections have been updated to reflect costs associated with long-term occupancy agreements. Reimbursement of service provider costs will be based on actuals and may be subject to change.

Attachment 6: Appendix from Mayor's Office of Housing & Homelessness Solutions dated August 14, 2025

The Mayor's Office of Housing and Homelessness continues moving with urgency to bring unhoused Angelenos inside with interim housing and services through Inside Safe, coordinating the implementation of homelessness prevention efforts, improving affordable housing preservation, accelerating housing production, and strengthening the homelessness and housing delivery system to improve outcomes.

Affordable Housing Updates

The City has made significant progress in addressing housing insecurity and homelessness. Thousands more Angelenos have accepted housing offers than during the previous year. Affordable housing production has also accelerated through emergency actions, with 35,176 units of 100% affordable housing expedited under Executive Directive 1, as the City locks arms with both public and private partners. These successes have been possible because the Mayor and Council worked together and across the city with urgency and declared a state of emergency to confront this crisis.

Inside Safe Encampment Resolution Updates

At least two Inside Safe operations have been completed in every Council District. Since the last report, 1 new Inside Safe operation has been completed and the number of participants in the program has increased by 108 to a total of 4,820 people. The number of Inside Safe participants who transitioned to permanent housing solutions between June 1 and June 30, 2025 increased by 6 to a total of 1,144.

The City is also working closely with local neighbors, stakeholders, and businesses to provide information and support around encampments that Inside Safe addressed. This includes hosting a series of town hall-style meetings, 32 of which have been held as of June 30, 2025. The first of these virtual meetings was held on January 25, 2024. They are not scheduled on a regular cadence but are held occasionally to provide the community and other stakeholders with informational updates about the resolution and address any issues or concerns.

HEA Approvals

Hotel Contracts

During this reporting period, the Mayor's Office is requesting approval to amend one long-term occupancy agreement in CD14 to include one additional room for a total room count of 28.

Attachment 6: Appendix from Mayor's Office of Housing & Homelessness Solutions dated August 14, 2025

Council District	Prior Authorized Total Units	Current Term	Current Rate with TOT	Proposed Term	Proposed Total Units
CD14	27	2/10/2025 - 8/31/2027	\$87	9/1/2025 - 8/31/2027	28

Inside Safe Quarter 4 Actuals

Inside Safe Program Description

[Inside Safe](#) was launched under Executive Directive 2 (ED2) in December 2022 to house Angelenos living in encampments, connect them to services, and prevent their return to the street. The Mayor's Office works with different departments during each Inside Safe operation, depending on the needs of the particular encampment. These departments have included the Department of Sanitation (LASAN), Transportation (LADOT), the Police Department (LAPD), and Animal Services.

Since January 1, 2025, Council Offices has submitted 75 encampment priorities, all of which have been assessed by the Inside Safe Field Intervention Team (FIT). Assessments include a survey of the surrounding neighborhood, engagement with encampment residents and evaluation of the severity of any health/behavioral health needs, and determination of the corresponding resources (e.g., County Department Health Services Multi-Disciplinary Team or Department Mental Health HOME team, specific City departments) required for the day of encampment resolution.

After the Inside Safe Field Intervention Team has completed its assessment of a Council District priority encampment, interim housing is identified to address all of the residents in the encampment community who want to enroll in the program and are on the by-name list. Following this, depending on the circumstances, the process includes further encampment engagement, securing service providers to operate the interim housing site(s), convening collaborators (e.g., Council Office, City Departments, LAHSA, LA County, service providers, interim housing owners, and street medicine teams) to coordinate the operation, and case conferencing with LAHSA outreach teams. All efforts are made to find interim housing in that Council District or a neighboring one. For individuals who arrive at the encampment on the day of an operation and need to be added to the by-name list, LAHSA supports efforts to find alternative interim housing options for those individuals. Following an encampment resolution, the same outreach teams monitor the original location for repopulation, engage with new or old residents at

Attachment 6: Appendix from Mayor's Office of Housing & Homelessness Solutions dated August 14, 2025

the site, and offer housing as it becomes available. A repopulated encampment is one that exists at a location that was previously resolved.

For voluntary participants of the Inside Safe program, as outlined in the LAHSA Inside Safe Service Provider Scope of Required Services, services at Inside Safe interim housing include:

- Case management on at least a weekly basis
- Residential monitoring that provides crisis intervention and conflict resolution
- Supportive services, including document collection for permanent housing readiness
- Three meals per day
- Connection to LA County's mainstream benefits and services
- Harm reduction-based services and/or resource connections

Community engagement is also an integral part of the planning process for each encampment resolution. During this phase, members of the Field Intervention Team will join service providers and City Council partners to engage with encampment residents, local businesses, and constituents, including, but not limited to, speaking with them.

Inside Safe Encampment Resolution Overview

The planning and execution of Inside Safe operations are dynamic, and timelines may shift for a variety of reasons, including Council District priorities, voluntary participation, encampment-specific needs (e.g., RVs, number of residents, size of encampment, safety/hazard issues, multiple jurisdictions), availability of interim housing, and service provider capacity. When enough interim housing rooms are not available in a given district or at a given hotel or motel to bring an entire encampment community inside together, our office prioritizes the backfilling of rooms through response efforts to ensure vacancies are filled as efficiently as possible.

Based on the Council Office priority submissions and site assessments, at the beginning of the fourth quarter of FY 2024-25 (April 1 to June 30, 2025), MOHHS reported to Council regarding the number of Inside Safe operations anticipated to be conducted in each Council District during the quarter. Below are the projections from the beginning of the quarter, alongside the actual number of Inside Safe operations conducted over the course of the quarter:

Attachment 6: Appendix from Mayor's Office of Housing & Homelessness Solutions dated August 14, 2025

FY 2024-25 Q4 Projections vs. Actuals

Region	Council District	County Service Planning Area	Projected Operations/ Response Efforts	Actual Operations (4/1-6/30/25)	Actual Response Efforts (4/1-6/30/25)
San Fernando Valley	2, 3, 4, 6, 7, 12	2	5	2	6
Metro/DTLA/East LA	1, 10, 13, 14	4	4	4	16
Hollywood	4, 13	4	3	0	8
West LA	5, 11	4 and 5	2	2	2
South LA	8, 9, 10	6	4	4	9
South Bay	8, 15	8	1	1	1
TOTAL:			19	55	

Note: Given operations and response efforts are conducted in regions that span multiple Council Districts, the tally is done by Council District.

June 2025 operations were limited by bed availability, as a greater than anticipated number of participants came inside during April and May 2025 operations. The Mayor's Office has made it a central priority to ensure that occupancy beds are efficiently and effectively backfilled throughout the quarter.

Expanding the City's RV Storage Capacity

In July 2025, the City of Los Angeles executed an agreement with the Metro Transit Authority to lease a 48,838 square foot Metro-owned Lot in Council District 9 for the storage of RVs relinquished during City encampment resolutions. The contract term is for three years. Through HEA Report #20, \$150,000 was transferred from the Inside Safe Reserve Fund account to the HEA to support this agreement with Metro from July 2024 through June 2025. To fund the second year of this three-year lease, the Mayor's Office anticipates utilizing \$150,000 from the HEA to pay Metro's July 2025-June 2026 invoice. The yearly payment of this lease will go toward Metro's homelessness efforts.

To continue the work to resolve more RV encampments city-wide, the Mayor's Office has also partnered with Council District 6 to identify an additional 95,000 square foot Metro-owned lot in the district that can be leased and converted to storage for up to 125 RVs relinquished during City encampment resolutions. The Metro lease term is for two

Attachment 6: Appendix from Mayor's Office of Housing & Homelessness
Solutions dated August 14, 2025

years at \$350,000 per year, and the first year of this lease will be paid from the HEA. The yearly payment of this lease will also go toward Metro's homelessness efforts.

In addition to the leasing costs, development expenses are anticipated to total \$829,197, as requested in HEA Report #27.
