A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Item Number:

Summary: The North Hollywood Northeast Neighborhood Council supports Council File 23-0002-S157. This motion proposes the City of Los Angeles include sponsorship and support for any legislative and/or administrative action to redesignate Temporary Protected Status for El Salvador, Nicaragua, and Honduras in its 2023-2024 Federal Legislative Program. As the North Hollywood Northeast neighborhood is home to large population of Salvadoreans, as well as Nicaraguans and Hondurans, our community would be negatively impacted by the upcoming revocation of TPS

protections in March and July of 2025, respectively. Key Concerns: 1. Separation of families: Should our neighbors become vulnerable to deportation once their TPS protections run out, parents could be separated from their American-born children. 2. Community impact: As 30,000 TPS designees live in Los Angeles and a large number of them reside in North Hollywood Northeast, their removal would leave a noticeable hole in our community. 3. Economic impact: The sudden removal of workers and business owners from our community would also have a severely negative impact on our local economy as companies find their work force diminished and employees find themselves without jobs should TPS designee-owned businesses disappear. Given these issues, the North Hollywood North East Neighborhood Council urges the City Council to approve Council File 23-0002-S157. For the sake of our local economy and the lives of the people in our community, it is in our best interests to keep our neighbors safe from deportation. Thank you for your attention to this important matter

COMMUNITY IMPACT STATEMENT

COUNCIL FILE 23-0002-S157

POSITION: FOR

El Salvador / Nicaragua / Honduras / Temporary Protected Status (TPS) / Legal Status

November 13, 2024

Dear Members of the City Council,

The North Hollywood Northeast Neighborhood Council **supports** [Council File 23-0002-S157](#). This motion proposes the City of Los Angeles include sponsorship and support for any legislative and/or administrative action to redesignate Temporary Protected Status for El Salvador, Nicaragua, and Honduras in its 2023-2024 Federal Legislative Program.

As the North Hollywood Northeast neighborhood is home to large population of Salvadoreans, as well as Nicaraguans and Hondurans, our community would be negatively impacted by the upcoming revocation of TPS protections in March and July of 2025, respectively.

Key Concerns:

1. **Separation of families:** Should our neighbors become vulnerable to deportation once their TPS protections run out, parents could be separated from their American-born children.
2. **Community impact:** As 30,000 TPS designees live in Los Angeles and a large number of them reside in North Hollywood Northeast, their removal would leave a noticeable hole in our community.
3. **Economic impact:** The sudden removal of workers and business owners from our community would also have a severely negative impact on our local economy as companies find their work force diminished and employees find themselves without jobs should TPS designee-owned businesses disappear.

Given these issues, the North Hollywood North East Neighborhood Council urges the City Council to **approve** Council File 23-0002-S157. For the sake of our local economy and the lives of the people in our community, it is in our best interests to keep our neighbors safe from deportation.

Thank you for your attention to this important matter.

Sincerely,

North Hollywood North East Neighborhood Council

X 

Zaid Diaz-Arias

Board President

North Hollywood Northeast Neighborhood Council
