Summary: Resolved: The TNC Board adopts the Executive Committee's motion to file a CIS in support of CF- 23-0002-S17 regarding the amending the Ralph M. Brown Act to allow legislative bodies, including neighborhood councils to continue to conduct most meetings virtually in the absence of any special circumstances, subject to appropriate safeguards to ensure full and robust opportunities for public participation, including by persons who lack means of digital access. Virtual meetings have promoted greater public participation by allowing people who could not normally attend in-person only meetings to participate both as members of neighborhood councils and as stakeholders. The Ralph M. Brown Act must be amended to allow the use of current and future tools that make it easier for the greatest number to participate.
