Comments for Public Posting: Carrie Fisher should be honored at this time with a Star on the HWOFF. Her career and body of work were wonderful. She deserves this tribute. At the same time, it would be appropriate to remove Donald Trump's star and replace it with hers. He should in no way continue to be honored alongside those who earned this through their work in film and television. He is a misogynist, racist, and bigot currently sewing the seeds of a civil war among his followers. Everyday he spews hate out into the world. He had no acting career to speak of and in no way ever deserved to have a star. Do the right thing: Remove Trump's star and replace it with one to Honor Carrie Fisher.
