Summary:

On May 10, 2023, your Committee considered a Resolution (Park - Blumenfield) relative to the prohibition of oversized vehicles parking along various street segments in CD 11. According to the Resolution, there is an increased problem with oversized vehicles parking along several street segments where large vehicles are often parked overnight and constrict travel lanes, thereby creating dangerous situations. Pursuant to LAMC

Section 80.69.4, and California Vehicle Code Section 22507, it is proposed that the parking of vehicles that are in excess of 22 feet in length or over 7 feet in height, during the hours of 2:00 am and 6:00 am, be prohibited along the street segments as detailed in Recommendation No. 1. After consideration and having provided an opportunity for public comment, the Committee moved to approve the Resolution. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
