**Comments for Public Posting:** We do not want this Marriot Hotel, on public land. I will chain myself to the property before I see it happen. And, any councilmember who backs this project up, is declaring themselves an enemy of the people - the poor, working class, immigrant, black, brown, indigenous, single parents, refugee youth, unhoused, and families of CD 8 and CD 9 people. I am 32 years old. I was born and raised in South Central / South LA. I am a Community Planning student at LA Trade Tech. I am studying how land is developed our in our neighborhood's case -- under developed. We are here. WE WILL PROTECT OUR COMMUNITY BY ANY MEANS NECESSARY. Public land for public good. Do right by us or face the consequences. No more warnings.
