Comments for Public Posting: I write in reference to the motion (CF 23-0033) introduced at City Council on January 10, 2023 by Councilmember Paul Krekorian relating to the City's establishment of a new Homelessness Emergency Account and the transfer of \$23,462,698.25 to that new fund. I wholeheartedly support this action. The City can only begin to make a dent in the chronic homelessness emergency in Los Angeles by committing adequate funds to finance the vital actions that need to be taken to address this emergency. I only wish that even more funds and resources could be committed to this cause. Sincerely, Juliana N. Fong
