re: Council File# 23-0243

Dear Councilmembers:

On November 18, 2024, The League of Women Voters of Greater Los Angeles submitted a letter of support for establishing a sanctuary policy for the City of Los Angeles.

We write again in support of the amendments made, which will strengthen the original policy. Specifically:

- Sec. 19.191(e) now bars participating in any joint operation or joint task force involving any Immigration Agent.
- Sec. 19.192 now has language saying the City cannot provide info to any City contractor unless they first agree in writing to prohibit the contractor's employees and subcontractors from providing that data or information to any Immigration Agent.

Please vote AYE on the amendments to the Sanctuary Ordinance to affirm the City's commitment to protecting and defending immigrants.

Thank you,
