Comments for Public Posting: I encourage the City Council to approve the discretionary COLA for retired members. The inflation that everyone is experiencing has hit retirees at a greater level do to some having to retire early due to medical problems and family illness. The discretionary would help out with extra medical, gas, food and other increased costs that have come upon retirees during these tough economic times.

Comments for Public Posting: It is very difficult to keep up with the Cost of Living due to rising costs and inflation. Hope you will consider this request. Thank you.
