**Comments for Public Posting:** Please approve the discretionary COLA of 2.6% for LACERS retirees. Inflation has been steadily rising and prices are going up more than our pension. We appreciate your cooperation in our need for this discretionary COLA. Thank you!

**Comments for Public Posting:** Please adopt staff's recommendation of 2.6% discretionary COLA. As you know, inflation has impacted our expenses and overall finances this past few years and our retirement allowance has not kept pace. Inflation has been relatively high for a while and our current scheduled COLA will not be able to catch up. Thank you in advance for your understanding and consideration on this very important matter.
