

## Communication from Public

**Name:** Mr. Bell

**Date Submitted:** 06/29/2023 04:31 AM

**Council File No:** 23-0418

**Comments for Public Posting:** please consider this "Discretionarily COLA Increase" I think the cap should be 4% each year due to the cost of living in Los Angeles, California its self . This will help combat the rising cost of just living. Believe me, it will be greatly appreciated, Thank you
