Council File No: 23-0418

Comments for Public Posting: As inflation exceeded 7% this year and our core expenses have exceeded that figure in many cases, a 3% increase in our retirement benefits is sadly not sufficient. I support the LACERS Retirement Board in their efforts to obtain a significant discretionary cost-of-living adjustment for retired members and beneficiaries of the Los Angeles City Employees Retirement System. Respectively, James L Bangham, Sr. Building Inspector, Ret.
