Comments for Public Posting: I gave to the City for 32 years, some giving away salary increases because city coffers were low, City asking for us to give extensions to the then current contract, and some years, city asking us to forgo out COLA increases, now at this time when we need it the most, I ask the Council to please include retirees with this COLA increase... Thank You

Comments for Public Posting: Please consider and approve the 2.6% discretionary COLA, todays cost of living is higher and its getting harder to make ends meet.
