Comments for Public Posting: I have full respect and understanding of the City Charter and its pension rules. However, since the economy was hit with unprecedented worldwide event and the ensuing highest inflation in over 40 years, it is only fair that retirees get as much COLA assistance as possible, as early as possible. Things are expensive NOW and we need relief now, not three or four years down the road. I urge that the City Council favorably considers LACERS request for the discretionary COLA.
