Comments for Public Posting: We are in need of a COLA beyond 3% this year due to the cost of living and high inflation. We are asking that you grant a discretionary COLA. Retirees are having trouble meeting their everyday basic needs as prices of food, gas and utility bills continue to rise. The fact that they approved the 7.4% COLA based on the CPI tells you just how bad the economy has gotten. We appreciate you taking the time to review our request.
