Comments for Public Posting: Can you pls authorize the extra cola requests for all us retirees. For 35 years I served the City of Los Angeles as a 911 dispatcher. I gave the citizens of LA excellent service. I also ensured that our officers were safe when they were in the field. I gave my best years to the city. I am now asking the city to take care of me in my golden years. I want to be able to live a comfortable life and not worry about the high cost of living that keeps rising. Please remember during covid we received only 2% of cola. Thank you.
