Council File No: 23-0418

Comments for Public Posting: I hereby respectfully request Los Angeles City Council to approve the Discretionary COLA of 2.6% in addition to the annual COLA that was approved (thank you). Inflation is at an all time high and groceries keep going up and it is difficult to purchase groceries. I know we retired City Employees will very much appreciate your vote on this most needed cause. Please approve the additional increase. --- Thank you.
