Comments for Public Posting: June 28, 2023 RE: Council File # 23-01418, City Increase on City Retirees Pensions: I request that City of LA, allow a One Time Inflation Bonus Adjustment for City of LA Retirees Pensions, to Increase Pensions to Match our Current Inflation. Consider, All those Years, since I retired in 2012, Inflation has been low, UNDER Three Percent, until the last 2 years. SO, consider this One Time Increase and charge it against City of LA Retires - FUTURE - COLA BANK. Thank You, Tom Williams
