

## Communication from Public

**Name:** Robert Goldberg, MD

**Date Submitted:** 07/09/2023 11:35 AM

**Council File No:** 23-0418

**Comments for Public Posting:** Last April, the LACERS Board forwarded a recommendation that the Council and Mayor adopt a 2.6% discretionary COLA for LACERS retirees. This discretionary COLA would be added to the 3.0% plan maximum for a total increase of 5.6%. This is a very modest request, as non-government retirees on Social Security received a much larger 8.7% COLA last January. Therefore, approval of a one-time discretionary COLA would demonstrate the City's appreciation and commitment to fair treatment of its former employees. Thank you for your consideration. Sincerely, Robert Goldberg, MD Retired Assistant Medical Director Personnel Department
