Comments for Public Posting: To Whom It May Concern Re Discretionary COLA I'm part of that generation of City employees that cared about their jobs & produced high-quality work for decades. Now retired after 37 years of service, I'm on a fixed income. With inflation at its highest we've ever experienced, I feel as though I retired at the wrong time. So please consider granting retirees the Discretionary COLA; it will definitely help & will be appreciated. Thank you.
