**Comments for Public Posting:** As an animal lover, lifelong resident of Los Angeles, and person who is passionate about all members of our community, I am writing to ask that you fully fund the spay neuter voucher progra. Let's ensure that all dogs and cats get spayed and neutered, and the people who care for them are given the support they need to make it happen. This burden should not lie on the spay neuter providers, let's fund these vouchers and put an end to animal and human suffering. This is the key to ending the problem of shelter overcrowding and it only benefits our beautiful city of Los Angeles. Thank you for your time and consideration.
