Subject: Support for Trap/Spay-Neuter

To: <CityClerk@lacity.org>

Please help support the trap/spay-neuter efforts of cats on the streets of Los Angeles, CA.

I have been a service provider in Skid Row for about two years and have witnessed cats/kittens here suffers beyond imagine.

Stray cats are everywhere in Los Angeles, kittens are born and die in the street, and it's hard to see minimum efforts to change this. Trapping/spaying and neutering significantly reduces this problem, and decreases the overpopulation of shelters.

There are so many volunteers willing to dedicate their time and energy to helping get these cats fixed, I am one of them. The community of others dedicated to do so is incredibly strong and come from a multitude of backgrounds. This cause and the love of cats and their wellbeing brings residents across Los Angeles County together.

Please consider supporting our efforts and being a part of the resolution.

Thank You!
