A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: The Los Feliz Neighborhood Council enthusiastically supports the Community School Parks Program, a joint initiative between Recreation and Park and LAUSD that opens school facilities, such as playgrounds, courts and fields, to the public during non-school hours. We believe this program is a meaningful way to address our city's shortage of accessible, safe, and walkable play spaces, and we're encouraged with its early success. However, there are only 10 school sites currently up and running, and without more resources, RAP will be unable to expand the program, which could one day include nearby schools such as King Middle School and Franklin Elementary. Title: Community School Parks / Los Angeles Unified School District / Master Joint Use Agreement / Proposition K / LA Green New Deal

Position: Support

Summary:

The Los Feliz Neighborhood Council enthusiastically supports the Community School Parks Program, a joint initiative between Recreation and Park and LAUSD that opens school facilities, such as playgrounds, courts and fields, to the public during non-school hours. We believe this program is a meaningful way to address our city's shortage of accessible, safe, and walkable play spaces, and we're encouraged with its early success.

However, there are only 10 school sites currently up and running, and without more resources, RAP will be unable to expand the program, which could one day include nearby schools such as King Middle School and Franklin Elementary.

That's why we're calling on the city to properly fund this program. Whether it's through Proposition K money earmarked for youth schools or grants, private partnerships, etc., this is a program worthy of expanding to more schools.
