Item No. 11

(C.F. 23-0529)

TRANSPORTATION COMMITTEE

Amendments provided by Councilmember Hernandez (Council District 1)

INSTRUCT LAPD, in consultation with the City Attorney and City Administrative Officer, to report back annually on the implementation and enforcement of the ordinance prohibiting the renting, leasing or selling of recreational vehicles (RVs) in the public right-of-way. The report should include:

- The number of investigations initiated, including any active and pending investigations;
- The total number of citations issued and any arrests made, including the geographic distribution of enforcement activity;
- The number of vehicles impounded related to this ordinance and the number of people experiencing homelessness (PEH) impacted; and
- A breakdown of costs by staff time and dedicated resources for this program.
